Snow Removal: Street Clearing

It is here! Snow and more Snow. And with it comes the plows, sand trucks and lots of shoveling! There is no getting around it, Winter and snow go hand-in-hand. And the City helps people get through it, *literally*, with snow plowing services.

In appreciation for our City's Street Dept staff, "Thank You" for your efforts in keeping up with the daunting task of clearing the roads. Because of our City's Street Dept staff, we are all able to get around town.

To help support them, be courteous to the Street Dept efforts in clearing the streets. We, as a community, can help in keeping the streets safe by doing the following:

- Be proactive in shoveling sidewalks within 24 hours of the first fall of snow in accordance to Deadwood's Snow Removal Ordinance 12.20.020 - eliminating the build-up of snow and ice on sidewalks can prevent an injury from occurring;
- "Adopt a Fire Hydrant" and clear it free of snow. Doing so helps firefighters access it in the event of a fire and could help save a life or resource;
- Give the plow or sand trucks their space - crowding them can cause harm to yourself or others;
- Respect the clearing of streets - if snow blowing or shoveling, please DO NOT blow or throw the snow out into the streets; try to relocate it along the curbline. If the plow has already gone through, blowing snow into the street can cause extra work and possible accidents or obstacles for your fellow neighbors;

And to you all, both business owners and residents of Deadwood, "Thank You" in assisting the Street Dept.'s goal of maintaining safe travel by both pedestrians and vehicles.

Vacancy Notice: City Commissioner Positions

Do you want to make a difference in our community? Do you have ideas to make Deadwood better? Well, you should know the people making decisions for Deadwood are your neighbors, fellow business owners, or co-workers. These individuals are no different than many others in our city. What sets them apart is their vision for our town and our children's futures, and a willingness to sacrifice time to help achieve a vision. So, make your voice heard. Run for Office.

The City of Deadwood has two (2) vacancies for City Commissioners, each a Three (3) Year Term due to the expiration of two present terms of office. Circulation of nominating petitions may begin on January 30, and petitions may be filed in the City's Finance Office located at 102 Sherman St., no later than February 27, between the hours of 8am-5pm (MST).

PUBLIC NOTICE: Hwy 85 Reconstruction Meetings

Weekly public meetings on the Hwy 85 Reconstruction Project continue to be held at Deadwood City Hall every Tuesday at 11am unless otherwise noted. These meetings are open to the public; all are welcome and encouraged to attend.

The project is progressing on schedule. In late January Phase 1A will begin at the intersection of Cemetery Street and Highway 85, and a portion of Cemetery Street. The north end of the Sherman Street parking lot will be affected, as will portions of the Cemetery Street alley from Highway 85 to Whitewood Creek. In February Phase 1B, the Mickelson Trail retaining wall, will begin.

Throughout the reconstruction activities, the project team has worked with local utilities, including Black Hills Power and Montana-Dakota Utilities, to keep the project on track and proactively address potential challenges. The City of Deadwood, Regional Health, Game Fish and Parks Dept, and local business owners have all been influential in the planning and direction of the reconstruction work. A Special "Thank You" to all the business owners and Deadwood residents for communicating openly with the project team - input from the community has helped resolve traffic issues and ease many of the side effects that often occur with urban reconstruction projects.

Quote of the Month

"When leading, be generous with the community, honorable in action, sincere in your words." – Jack Kornfield

Deadwood Public Library: Book Club

The Deadwood Public Library will NOT hold a **February Book Club**. However, it will resume its Book Club on **Monday, March 9th** at **6pm** in the Library. The book to be read is the **"Wizard of Oz"**. The library will order extra copies for anyone who would like to read the book and participate in the Book Club discussion. For more information please contact the Library at 578-2821.

Welcome to the City!

The City of Deadwood is glad to announce the hiring of long-time Deadwood resident, Trent Mohr, as the NEW City Building Inspector. Trent comes to the City from National American University, Rapid City where he operated Facility Management for the past 13 years. The City feels with his construction background and career experience, he will be a great addition to our staff and Public Works Department.

Northern Hills Cracker Barrel Held in Deadwood

On **Saturday, February 21, 2015 @ 9am** at the **Deadwood City Hall**, the Northern Hills Cracker Barrel will take place. Crackerbarrels are an important way to interact with your state legislators during the legislative session and serve as an open forum for discussions with elected officials about issues that affect businesses. . The District 31 Lawrence County Crackerbarrels are organized to give the community an opportunity to meet with our elected officials. Representative Romkema, Representative Johns and Senator Ewing sit as a panel to give updates on the current legislative session. Our legislators are also available at that time to answer questions from the audience. All are welcome to attend.

Share Your Ideas With Us!

Our community shapes how we live our lives, how we treat others and we want to show the world how we are taking Deadwood from "Good to Great". What better way then to hear from the voices of those who truly make up our beautiful City of Deadwood. We want to hear your thoughts, your ideas, your questions! Historic Preservation Grant Programs Available

The Historic Preservation Office has developed a variety of programs to promote the historic integrity and character when assisting in the rehabilitation, preservation and protection of the national historic land marks in Deadwood and the surrounding area. All projects, when applicable, are performed pursuant to the requirements of International Building Code, International Fire Code, and the Secretary of Interior's Standards and Guidelines. See below for the funding available and eligibility requirements:

Elderly Homeowners: Must be 62 years of age or older, have owned/occupied the property for one year prior to application submitted, and property must contribute to the historic integrity of the City of Deadwood or address life/safety issues.

Paint Grant: Up to \$500 for exterior paint, primer and caulk purchased at Twin City Hardware using the voucher provided by Historic Preservation Office for both residential or commercial property. Paint color selections and surface preparation must be approved by the Historic Preservation Officer and project must be completed within one year of issuance of grant.

Retaining Wall Program: For the restoration of historic retaining walls associated with a residential property located within Deadwood City Limits and meet the criteria of the program.

Revolving Loan Fund – Commercial or Residential: For the rehabilitation and protection of commercial or residential buildings that contribute to the historic integrity of the City of Deadwood. Available as low-interest loans for gap financial or to address life/safety issues.

Siding Removal Program: For assistance in the removal of inappropriate siding material or the maintenance of historic siding. A siding assessment must be conducted by the Historic Preservation Officer.

Vacant Homeowners: To assist and encourage property owners to rehabilitate and protect their properties through the use of quality materials and craftsmanship. Property must be vacant two years prior to the date of purchase by owner. Owner must apply for funding from the Special Needs program within three months of purchase.

Wood Windows and Doors Program: For the rehabilitation of existing wood windows, storms, or screens; **OR** the purchase and installation of new wood windows, storms, or screens; **OR** for the repair of an existing wood door or the purchase/installation of a new primary wood door. A window assessment must be conducted by the Historic Preservation Officer.

For more info on these programs please contact the Historic Preservation Office at 578-2082 or visit www.cityofdeadwood.com

Archive Moment: Opium Pipe Bowl Fragments

In January the Deadwood Historic Preservation office hired Richard Carlson, Director of the Fassbender Photographic Collection to photograph thirty-two (32) opium can lids and sixty-four (64) opium pipe bowl fragments unearthed during the 2001 to 2004 Deadwood Chinatown archaeological excavations along lower Main Street. Upon close examination, the cans and the pipe bowl fragments contain Chinese characters inscribed or embossed on the surface of the object. The detailed photographs of these objects will be sent to the Asian American Comparative Collection (AACC) at the University of Idaho, Moscow where Chinese specialists will review and decipher the characters. The characters, also known as "Chop Marks" or "Money Marks", contain vital information on date of manufacture and artisan who created these objects. Once transcribed, this information will be incorporated into an interpretive exhibit scheduled for 2016. The Historic Preservation office will also develop a YouTube video chronicling this project.
