Deadwood's Residential Spring Clean-up Week is May 11-16, 2015

For more information or if you have large objects you are physically unable to move, please contact the Public Works Office at (605) 578-3082 to possibly schedule removal. This clean-up service is for **residents only**. *Please Note: Tires must be paid for in advance prior to pickup. Items containing freon are **NOT** permitted to be picked up. (ex: refrigerators or air conditioners).*

Meet & Greet with SD's Attorney General Marty Jackley on May 11

South Dakota's Attorney General Marty Jackley will be holding a "Meet and Greet" in Deadwood on Thursday, May 7 beginning at 5pm at the SpringHill Suites. He will be giving a presentation on new laws and regulations as well as conduct a Q&A session. This free informational event is not a political fundraiser. All are welcome and encouraged to attend.

PUBLIC NOTICE: Hwy 85 Reconstruction Progress

Weekly public meetings on the Hwy 85 Reconstruction Project continue to be held at Deadwood City Hall every Tuesday at 11am unless otherwise noted. These meetings are open to the public; all are welcome and encouraged to attend.

As of April 27 traffic control was switched from the north-bound lane to the south-bound lane. Temporary signals continue to replace the four-way stop and traffic is reduced to one lane at the junction of Cemetery Street and Highway 85.

Phase 2 is anticipated to begin April 27, 2015 with work to be completed in two sections. The first section will be from Cemetery Street to Walnut Street, and the second section will be from Walnut Street to Burlington Street. The project team expects to be done with Phase 2 by the end of September 2015.

During Phase 2 reconstruction, traffic will be reduced to one lane with a pilot car and flaggers during the day, and will open to two lanes at night.

The Project Team would like to thank Deadwood business owners and residents for their efforts in communicating openly with the team; input from the community has helped resolve traffic issues and mitigated many of the side effects often occurring throughout the reconstruction activities.

For further information feel free to contact Project Solutions at (605) 718-4046 or view notices online at the City's website homepage www.cityofdeadwood.com under **Hwy 85 Project**.

Mark your Calendars!

May 2, 2015 - Deadwood's 4th Annual Cinco De Mayo Festival
1-4 PM is the Outdoor Family Activities on Main Street

May 4, 2015—Monday

City Commission Meeting
5:00 PM @ Deadwood City Hall

Feel free to call the **Public Works office** at 578-3082 with any questions or concerns. Thank you!

Safety Reminders

Distracted Drivers Kill!

With the arrival of Spring, we often think about making things fresh and new in our lives and within our surroundings. It's also an opportune time to think about how to perform our daily tasks in a safe and efficient manner. Here are some things to consider for either work or leisure:

While at work, make certain that you are completing your pre- and post-trip inspections: It's required and it provides you with the best opportunity to make certain the vehicle is in safe operating condition. Spring is also a great time to have your personal vehicle serviced to ensure it is in good working condition. Have tires checked for proper inflation, check for proper fluid levels and excessive wear on the belts and hoses. Get a safety head start for the upcoming driving season.

Always wear your seatbelts while driving! Most states have laws governing seatbelt use. All residents should wear seatbelts at all times while operating any motor vehicles. Wearing seatbelts saves lives!

Keep the inside of truck cabins and cars clean/clear of obstructions that can quickly become safety hazards.

Bottles, cans and food containers can easily become propelled objects when traveling, especially in the event of sudden braking. Such items should always be properly stored while driving. The area around your feet should be kept clear at all times.

Cell phones: Laws governing cell phone use while driving are always changing and vary by both city and state. Most hazards can be avoided altogether by not using a cell phone while driving. Residents should not use cell phones while operating any motor vehicle.

Be mindful of weather conditions. The arrival of Spring also means the arrival of tornado season in some regions and strong storms in others. Bad weather can make for more hazardous driving conditions. Keep abreast of the weather and adjust stopping distance and speed accordingly.

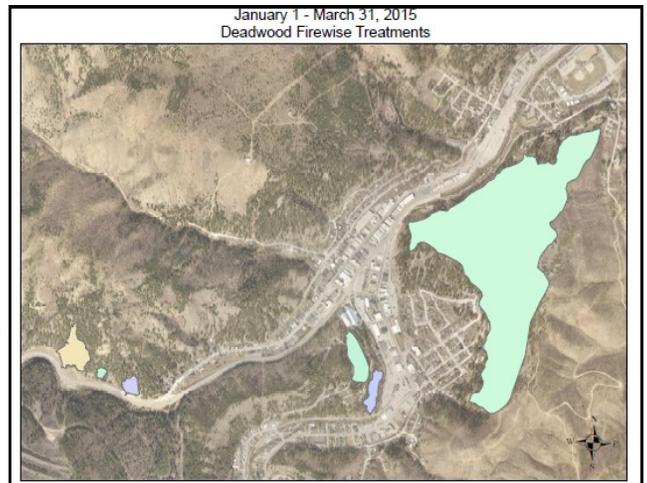

2015 Firewise Update

The buzz of chainsaws will be heard again this spring and summer from the hillsides above Deadwood. In April, the City of Deadwood was awarded a \$40,000 grant from the Bureau of Land Management (BLM) for the continuation of Firewise treatments within the city limits.

Firewise is a national preventative program designed to protect people, property, and natural resources from the risk of wildland fire. Firewise is accomplished through the systematic pruning, stacking, and burning the brush piles, spindly and unhealthy trees and lower limbs from trees. The estimated cost to perform this work is \$1000 per acre. Through the Firewise grant program, there is no cost to the landowner.

From January to March of 2015, twelve acres located below White Rocks have been treated by Firewise crews. This summer, Firewise crews will work in Zone #5 which covers the land on east side of Denver Avenue, above Centennial Avenue across to Burnham Ave. This project could not be performed without the help from the South Dakota Department of Corrections, the Bureau of Land Management, and the South Dakota Department of Wildland Fire Suppression.

If you have any questions pertaining to the Deadwood's Firewise program, please contact the Deadwood Volunteer Fire Department at (605) 578-1212 or email at firedept@rushmore.com

Chamber Corner - Upcoming Deadwood Events & Happenings

May 15-17: AMA Extreme Dirt Track/ATV National Championship Race Series comes to Deadwood: The AMA Extreme Dirt Track -ATV National Championship Race Series will hold their inaugural 2015 races in Deadwood May 15-17. our heroes.

Historic Preservation Paint Grant Programs

Spring is here! The grass is turning a vibrant green and flowers are blooming in colors of the rainbow. So, what better time than now to freshen up the outside of your business or home. Not only will it improve the look of your property, it will protect the exterior from weather.

To take advantage of the Deadwood Historic Preservation's Paint Grant Program, stop by the office in Deadwood's City Hall located at 108 Sherman Street to pick up and complete the application; both residential and commercial properties 20 years or older are eligible. The Paint Grant, awarded every 5 years per property, provides a \$500 voucher to be used at Twin City Hardware for the purchase of paint, primer and caulk. Property must be located within Deadwood City limits. For more information or if you have any questions, please contact the Historic Preservation office at (605) 578-2082.

OPPORTUNITIES TO RECYCLE - Community Recycle Bins

Effective **Monday, May 4th** the recycle bins will be MOVED from their current location in the Sherman Street Parking Lot to the Trolley Barn at 62 Dunlop. These bins have been provided to residents and businesses by the City of Deadwood. Let's all Pitch In!!!
