**Law Enforcement Appreciation BBQ**

On October 6, 2020, the Deadwood Chamber of Commerce, Outlaw Square and members of the Main Street Initiative (MSI) hosted a Law Enforcement Appreciation BBQ for local law enforcement and their families. Everyone had a great time!

A big thank you to the Deadwood Chamber, Bobby Rock with Outlaw Square, MSI, and the Deadwood Social Club for providing an enjoyable evening.

**Winterizing Reminders**

The City of Deadwood would like to remind residents and property owners to winterize your property before the cold weather and snow arrives. Below are some helpful tips to protect your property.

- ◆ Detach outdoor hoses from faucets
- ◆ Insulate pipes or faucets in unheated areas
- ◆ Seal off access doors, air vents and cracks
- ◆ Install draft guards to keep heat from escaping under doors
- ◆ Cover unused windows to prevent drafts
- ◆ Have your sprinkler systems blown out
- ◆ Change the furnace filter
- ◆ Clean your fireplace
- ◆ Clean your gutters
- ◆ Vacant properties - keep the property heated or shut off the master water valve and then drain the pipes to keep them from freezing

If you leave for the winter, protect your house in case of loss of heat by shutting off the main water valve in your house or the City's shut off valve.

## **Recycling Reminder**

**Please DO NOT place the following items in the blue Recycling Containers:** Styrofoam, plastic grocery bags, food wrap, automobile oil, plastic toys, aluminum foil, packing peanuts, Pyrex, pool chemical containers, corrugated cardboard, shiny cardboard, paperboard, cereal boxes, newspapers, drinking glasses, light bulbs, ceramics, window glass, mirrors, PVC, scrap metal: toasters, post, coat hangers, service pans, pie tins and roasting pans.

If the blue container is out when the garbage truck comes by they may check to see if there are any of the items listed above. If so, they will dump the container as it is considered contaminated. Also, the recycling truck will not empty the blue container if they consider it contaminated by one or more of these items.

Corrugated cardboard and newspapers can be recycled at the Community Recycle Bins located in the Sherman Street Parking lot.

For a list of items allowed in the blue container, please visit the City of Deadwood website at [cityofdeadwood.com](http://cityofdeadwood.com), *Community, Waste Management, Recycling*.

## **Fire Department**

**The Deadwood Fire Department regrets to inform you the Annual Chili Feed scheduled for November 1, 2020 has been canceled.** If you are in need of batteries or smoke detectors, please contact the Fire Department at 605-578-1212 for assistance. The Deadwood Fire Department will miss all of our friends and hope conditions will be back closer to normal for the Pancake Feed scheduled for Sunday, March 14, 2021.

## Time to Sign Up for CodeRED

The City of Deadwood uses CodeRED, a high-speed mass notification system, to keep residents informed. The notification system delivers general and emergency messages to residents via phone, text message and email.

General messages are used to communicate non-life safety matters such as snow removal, community events, planned road closures, water main repairs and power service interruptions. Emergency messages notify residents of emergencies such as an evacuation notice, utility outages, fire, floods, severe weather or other emergency situations.

The Public Works Department utilizes CodeRED (instead of posting signs) to notify residents of upcoming snow clearing to make sure all vehicles are removed from the road.

Residents not currently registered to receive these free alerts can register online by visiting the City of Deadwood website at [www.cityofdeadwood.com](http://www.cityofdeadwood.com), Community, CodeRED. If you do not have internet access call 605-578-2082 and City Staff can register you over the phone.

Please call 605-578-2082 for any questions regarding CodeRED. 

## Cigarette Receptacles

Did you know City staff installed thirty (30) Tipster ash urns (also known as Smokers Outpost) on Main Street over the summer? The Main Street Initiative Design Committee along with the

Historic Preservation Commission are working together on the beautification of Historic Main Street. Cigarette butts on the sidewalks and in the public areas continue to be an issue along Main Street.

After much research, it was determined the Tipster ash urns best suits the needs of Historic Main Street. The ash urns were installed on the street light poles in an effort to discourage visitors and residents from dropping their cigarette butts on the street or sidewalks.
