Discovery at Outlaw Square Site

On February 12, 2019, the staff of the Deadwood Historic Preservation Office along with archaeologists from the South Dakota Archaeological Research Center and construction workers from

Quinn Construction made an amazing discovery at the Outlaw Square area. Buried and intact under ten feet of fill was the Frost Manufacturing Company fire box and boiler from the Deadwood Theatre, circa 1903. The door off the fire box was still intact and contained the Frost Company logo. This was a truly amazing discovery that provided Deadwood a glimpse into its past.

City of Deadwood Election for Office of Mayor

The City of Deadwood will not have an election on April 9, 2019 for Office of Mayor. David R. Ruth, Jr. was the only candidate turning in a petition; therefore, running unopposed. Mr. Ruth will be sworn in as Mayor for a three-year term at the City Commission meeting on May 6, 2019. Mr. Ruth has been serving as Acting Mayor due to the passing of Mayor Charles Turbiville whose term would have ended on May 6, 2019.

CodeRED Notification System

The City of Deadwood uses CodeRED, a high-speed mass notification system, to keep residents informed. The system delivers general and emergency messages to residents via phone, text message and email.

General messages are used to communicate non-life safety matters such as community events, planned road closures, water main repairs and power service interruptions.

Emergency messages notify residents of emergencies such as an evacuation notice, utility outages, fire, floods, severe weather or other emergency situations.

Residents who have not yet registered to receive these free alerts can register by going to the City of Deadwood website, www.cityofdeadwood.com, then click the CodeRED Signup button at the top. If you do not have access to the internet you may register at the library or call 605-578-2082 and City Staff can register you over the phone. There is also a free CodeRED Mobile app for your smartphone available at iTunes or Google Play.

If you have any questions regarding the CodeRED Community Notification System please call 605-578-2082.

From the Mayor's Desk

It is truly humbling that I write to you today as your mayor. As I have stated many times, it has been an honor to fulfill Chuck's term. Now, the focus must turn to the future and the necessary preparations for my first term. Not only will I be sworn in on May 6th, I will also be recommending to the commission the name of a Deadwood resident who will serve a one year term as a City Commissioner. If you would like to be considered for this appointment, please submit a letter of interest to my office by 5:00 p.m. on April 26, 2019.

I'm excited for what the future of our great community holds. Together, we will make Deadwood a place we are proud to call home.

Yours in public service,

Mayor, David R. Ruth Jr.

MAIN STREET INITIATIVE UPDATE

As you know winter is here and a few of the items us business people need to remember is to keep our Side Walks clean of snow. This will allow our customers to safely move around Deadwood and if we need help with snow removal we encourage our fellow businesses to help each other. Having regular posted hours is always a great help all year round so if your hours of operation have changed please post them on your business, with the Chamber and also on your web site. The Outlaw Square project is moving forward. We feel the main benefactor of Outlaw Square will be the citizens of Deadwood and we encourage all of the businesses in Deadwood to look for ways to support the operation of Outlaw Square. Bid 9 was formed as a way to encourage all local businesses to get financially involved in the operation of Outlaw Square. We currently have 15 committed members and we hope that all of the retail businesses in Deadwood join us in our efforts to continue to improve Deadwood. For questions regarding Bid 9 you can contact Bill Pearson at (605) 920-1240 or Jim Trucano at (712) 301-2300.
