From the Mayor's Desk

A little over a month ago, we as a Commission accepted the letter of retirement for Albert Kryger. That evening we mentioned how we hated to see him go, how we recognized that he had earned every accolade we could bestow, etc. etc. But even at that time, it never really seemed possible that he would actually be turning in his keys. Alas, the time is here and I just wanted to officially wish him well.

Albert's impact on our community was felt not only by those employees he supervised, or at the facilities he tirelessly maintained, but also by the millions of visitors we entertained over the years. There wasn't an event, activity, parade, or even the average day that wasn't made better or possible through his efforts. He has left gigantic shoes to fill, and I do believe that Scott Reif will be up to the challenge.

So please join me in congratulating Albert in his next chapter as an unpaid volunteer at all of Deadwood's events! We all know Sarah will keep him busy.

Yours in public service,

Mayor, David R. Ruth Jr.

Survey of Meeting Times

The Historic Preservation Commission and the Planning and Zoning Commission currently hold their public meetings in the evenings at 5:00 p.m. The Commissions are conducting a survey to determine if these meetings could be moved to daytime hours such as 3:00 p.m. We want to hear your opinion on changing these meetings. Please contact our office at 578-2082, e-mail us at HPadmin@cityofdeadwood.com or write us a note and mail to City of Deadwood, 108 Sherman Street, Deadwood, SD 57732.

Snow Removal

The Deadwood City Police Department would like to remind the businesses and citizens of the ordinances relating to snow removal on sidewalks and streets which is as follows.

12.20.040 Violation - Penalty.

Any individual or business that fails to remove snow and ice or arrange for the removal of snow and ice within the period prescribed in Section 12.20.030 (24 hours), or who deliberately or intentionally removes snow or ice in such a way as to obstruct the normal flow of vehicular or pedestrian traffic on a public street, or who deliberately or intentionally places snow or ice on a public street or right-of-way in such a way as to obstruct the normal flow of vehicular or pedestrian traffic, shall be guilty of a misdemeanor and subject to a maximum fine of five hundred dollars (\$500.00). Each day the above described failure or conduct continues shall constitute a separate offense. (Ord. 1240 (part), 2015; Ord. 1010 § 1 (part), 2003; amended during 2004 codification; prior code § 27-403)

If we all work together we can accomplish clean streets and sidewalks in an efficient manner.

*Spring is the time
of the year when it
is summer in the
sun and winter in
the shade.*

~ Charles Dickens

Mark Your Calendars!

April 1, 2019 — Monday
City Commission Meeting
 5:00 p.m. @ Deadwood City Hall

April 3, 2019 — Wednesday
Planning and Zoning Commission Meeting
 5:00 p.m. @ Deadwood City Hall

April 3: Vanished South Dakota: Towns of Yesterday – A preview of South Dakota Public Broadcasting's newest documentary, *Vanished South Dakota: Towns of Yesterday*. *Vanished South Dakota*, which is now in production with a release date later this year, will tell the stories of many towns which were once thriving centers of commerce but have since nearly or completely disappeared from the map. This special pre-screening will feature stories of Black Hills towns, Tinton and Terry, as well as a discussion with producer Stephanie Rissler on her inspiration, creative process, and travels throughout South Dakota as she discovers more and more of these disappearing towns and talks to former residents and neighbors. Days of '76 Museum; 5:30 p.m. – 6:30 p.m. For more information visit: www.sdpb.org/vanished/

April 4: The Deadwood Neighborhood Council will meet at 5:00 p.m. at City Hall.

April 4: A Night at the Brewseum – Deadwood History presents an event modeled after Comedy Central's popular series *Drunk History*. Enjoy a social sponsored by Crow Peak Brewing Company, tour the Carriage Gallery, and participate in beer drinking entertainment with a presentation on *Beer and Brewing in South Dakota: 1862 – 1942* from Ken Stewart, Archives Research Administrator, South Dakota State Archives. Days of '76 Museum; 6:00 p.m. – 7:30 p.m.; \$15 per person plus tax includes two beers, snacks, and entrance to the museum. Advance reservations are required. Must be 21 or over. Purchase tickets online at DeadwoodHistory.com/brewseum or by calling 605-722-4800.

April 10, 2019 — Wednesday
Historic Preservation Commission Meeting
 5:00 p.m. @ Deadwood City Hall

April 11: Preservation Thursday: A Brief History and Resurrection of Older Farming Methods and Ancient Grains – A Path Forward to Local Milling of Local Grains – Owner of *Belle Valley Ancient Grains* and a fifth-generation South Dakota *Agriculturist*, Brian Stambaugh, will provide a brief review of farm methods, grains, and milling practices in South Dakota from the late 1800s to present. Homestake Adams Research and Cultural Center; 12:00 p.m.; admission by donation.

April 13: Mountain Lion Workshop – Students are invited to learn about mountain lions, one of the most popular species within the big cat family. With the help of the South Dakota Game, Fish, and Parks Cougar Crate, students will discover where mountain lions live, what they eat, and why they are an important part of the environment. Students will also learn how humans moving into mountain lion territory can affect their population and what to do if they encounter a mountain lion in the wild. Light refreshments will be provided. For students in grades K-6. Adams Museum; 10:00 a.m. – 12:00 p.m.; \$6 for members and \$11 for non-members. Scholarships are available. Reservations required. Please call Amanda Brown, Education Director, at 605-578-1657 for reservations.

April 15, 2019 — Monday
City Commission Meeting
 5:00 p.m. @ Deadwood City Hall

April 16: The Rodeo Grounds Block Club will hold their monthly meeting at 5:15 p.m. at the Welcome Center.

April 17, 2019 — Wednesday
Planning and Zoning Commission Meeting
 5:00 p.m. @ Deadwood City Hall

April 20: Easter Sunday

April 24, 2019 — Wednesday
Historic Preservation Commission Meeting
 5:00 p.m. @ Deadwood City Hall

April 27: Patsy's Day – Attention dog and cat lovers! Share in this annual celebration honoring Patsy, the beloved terrier of William Emery Adams. Guests who make a donation of dog/cat food will receive free admission to the Historic Adams House. Tours for Patsy's Day are hourly; the first tour leaving at 10:00 a.m. and the last tour of the day leaving at 4:00 p.m. Photos of cats and dogs available for adoption will be on display. All donations benefit the Twin City Animal Shelter. For more information, please call 605-578-3724.

CodeRed Notification System

The City of Deadwood uses CodeRED, a high-speed mass notification system, to keep residents informed. The system delivers general and emergency messages to residents via phone, text message and email.

General messages are used to communicate non-life safety matters such as community events, planned road closures, water main repairs and power service interruptions. Emergency messages notify residents of emergencies such as an evacuation notice, utility outages, fire, floods, severe weather or other emergency situations.

Residents who have not yet registered to receive these free alerts can register by going to the City of Deadwood website, www.cityofdeadwood.com, then click the CodeRED Signup button at the top. If you do not have access to the internet you may register at the library or call 605-578-2082 and City Staff can register you over the phone. There is also a free CodeRED Mobile app for your smartphone available at iTunes or Google Play.

If you have any questions regarding the CodeRED Community Notification System please call 605-578-2082.

Chamber Corner

April 5-6: If you love fine food, wine and distinctive brews, don't miss the 6th annual Forks, Corks & Kegs: Food, Wine and Beer Festival. Sample a variety of beer and wine from all across the country, as well as your Black Hills favorites as you make your way to various tasting venues across town. Each location will feature their chef's finest culinary creation paired with the perfect complimentary beverage. Then head to the granddaddy finale, a Grand Tasting, featuring dozens of beer and wine varieties, light hors d'oeuvres, and dessert samples. *Must be 21 to participate* Only 1,000 tickets will be sold!

April 26-27: Craft beer lovers will enjoy Deadwood's finest at this festival. Enjoy craft beer paired with samples of unique bacon dishes. Ticket holders receive an event pass, tasting card, schedule and an open container cup. Once the event begins, attendees taste at locations on that day's schedule during designated hours. Tickets are valid for both Friday and Saturday. Last year the event boasted 30 tasting locations over the course of the weekend. That's 60 types of beer and 18 bacon samples! A similar amount is expected for 2019. The list of craft brews served at each business will be available soon.

City of Deadwood - 2018 Drinking Water Report

Secretary's Award: The City of Deadwood has supplied eighteen consecutive years of safe drinking water to the public it serves and has been awarded the Secretary's Award for Drinking Water Excellence by the South Dakota Department of Environment and Natural Resources.

Water Quality: The following is a snapshot of the quality of the water you were provided last year in Deadwood. Included are details about where your water comes from. What it contains, and how it compares to Environment Protection Agency (EPA) and state standards. We are committed to providing you with information because informed customers are our best allies.

Water Source: We serve more than 1,270 customers an average of 382,000 gallons of water per day. Our water is surface water that we purchase from another water system. The state has performed an assessment of our source water and they have determined that the relative susceptibility rating for the Deadwood public water supply system is medium. For more information about your water and information on opportunities to participate in public meetings, call 605-578-2600 and ask for Jessica McKeown.

Additional Information: The sources of drinking water (both tap and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs and wells. As water travels over the surface of the land or through the ground, it dissolves naturally-occurring minerals, and can pick up substances resulting from the presence of animals or from human activity.

Contaminants that may be present in source water include:

- Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban storm-water runoff, and residential uses.
- Organic chemical contaminants, including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban storm-water runoff, and septic systems.
- Radioactive contaminants, which can be naturally-occurring or be the result of oil and gas production and mining activities.

In order to ensure that tap water is safe to drink, EPA prescribes regulations which limit the amount of certain contaminants in Water provided by public water systems. FDA regulations establish limits for contaminants in bottled water which must provide the same protection for public health.

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the Environment Protection Agency's Safe Drinking Water Hotline at 800-426-4791.

Some people may be more vulnerable to contaminants in drinking water than the general population. Immunocompromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by *Cryptosporidium* and other microbial contaminants can be obtained by calling the Environment Protection Agency's Safe Drinking Water Hotline at 800-426-4791.

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. The City of Deadwood public water supply system is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing, methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at www.epa.gov/safewater/lead.

Detected Contaminants: To receive a copy or view a table which lists all the drinking water contaminants detected during the 2018 calendar year, contact Randy Rfarr with the Deadwood Public Water System at 605-578-2600.

The presence of the contaminants in the water does not necessarily indicate the water poses a health risk. Unless otherwise noted, the data presented in this table is from testing done January 1 - December 31, 2018. The state requires us to monitor for certain contaminants less than once per year because the concentrations of these contaminants are not expected to vary significantly from year to year. Some of the data, though representative of the water quality, is more than one year old. For further questions or information, you may contact us by calling 605-578-2600 or by writing us at: City of Deadwood; 2018 Drinking Water Report; 102 Sherman Street; Deadwood, SD 57732

HP Programs Review

In February 2019, the Deadwood Historic Preservation Commission approved four grant request.

James & Christine Mikla - Foundation, Siding & Wood Windows & Doors Programs

Jody Ritz - Foundation Program

Thank you for helping preserve and maintain Deadwood's historic integrity!

Outlaw Square Director

The Outlaw Square hiring committee has selected its Director. Please help us welcome Bobby Rock as the Outlaw Square Director. Bobby is a native of Fargo, ND and has been active in a number of broadcast media positions for over 30 years throughout the region before moving to Deadwood. He enjoys spending time showing others what Deadwood and the Black Hills have to offer "there is something to do no matter what season it is and I enjoy letting others know about that." Bobby's been a volunteer for many years for many Main Street events and is always willing to help out behind the scenes. He's looking forward to assisting in the development of the square and bringing the vision of this gathering place to fruition.

Spring Is Here and We All Know What That Means

Highway construction season is here. Beginning April 1 or 2 mobilization will begin for resurfacing of Highway 14A from the Main Street Arch to the highway intersection of 85.

Besides the resurfacing, repairs will be made to the water main, storm sewer, overhead electrical wires, sidewalk and historic lighting will be addressed. Plans are to start around the area of Big D and the anticipated completion date is November 30. If you have any concerns you may contact the Planning and Zoning Office at 578-2082.

MAIN STREET INITIATIVE UPDATE

The Deadwood Revitalization and Main Street Initiative Promotions Committee would like to invite one and all to once again raise a glass in downtown Deadwood for Hops & Hogs, our annual craft beer fest, April 26 & 27. Each participating business will offer two different craft beer samples paired with their favorite bacon recipe. Beer connoisseurs can sample more than 60 beers from all over the United States. The event begins at the Deadwood Welcome Center. The tasting hours are Friday, April 26: 5:00 -10:00 p.m. and Saturday, April 27: noon - 6:00 p.m. Only 500 tickets will be sold! Two day passes are only \$35. You must be 21 to participate. For more information visit: www.deadwoodcraftbeerfest.com

ALL MEETINGS ARE OPEN TO THE PUBLIC

The Committees meet as follows:

- Promotions Committee** — 1st Tuesday at 1:00 p.m. — Louie Lalonde 578-3346
- Design Committee** — 2nd Tuesday 3:30 p.m. — Bill Glover 578-2116/641-4001
- Economic Restructuring Committee** — 3rd Tuesday at 8:30 a.m. — Ken Geinger 578-1909
- Organization Committee** — 1st and 3rd Wednesdays at 12:30 p.m. Bill Pearson 920-1240
