bƧØŜY¯ōŜ№ yϒ t№ŜăŜ№Øl·əƧy¯ ¢Kdz№ăŘl·êϒ ***The Black Hills Forest, 1874–1908*** – The forest of the Black Hills has gone through many changes over the last 150 years. Using early photos and journal accounts of explorers, soldiers, and reporters, Forestry Consultant, Bill Coburn, will describe what the Black Hills Forest looked like at the time of Custer's expedition through the early 1900s. Some of the topics covered in the presentation include how politics and laws affected the Black Hills Forest. What was the Timber Culture Act and how did it affect the Black Hills Forest in the late 1800s? How did Case #1, the very first US Government timber sale occur in the Black Hills? What was the "Black Hills Beetle?" Homestake Adams Research and Cultural Center; 12:00 noon; admission by donation.

With winter and snow fall around the corner, the City of Deadwood would like to remind residents and businesses of the Snow Removal Policies, to ensure the safety of all residents and guests.

The Deadwood Public Works Department reminds you that vehicles need to be removed from the street during snow removal activities. The streets will be posted one day in advance, please take advantage of the public parking lots during the snow removal activities. If your vehicle is not removed prior to snow removal, it will be ticketed and towed.

Sidewalks need to be cleared within 24 hours after the snow stops flying. Failure to clear your sidewalk will result in it being cleared by the City. A fee of $71.50 per man hour will be charged if the City is required to clear the sidewalk. Snow should not be shoveled, blown or dumped into the street. These policies will be enforced for all areas of Deadwood. The Public Works Department appreciates the cooperation of the citizens to assure our streets are passable and our sidewalks are safe. If there are questions please feel free to contact us at 578-3082.

Thank you for your cooperation.
