A String of Pearls

Revitalization Plan called a "Game Changer" for Deadwood

The Chamber's Revitalization Committee conducted a series of community meetings, including one at the VFW during "burger night". Following these meetings the Deadwood Chamber Board, BID District Board 1-6, and the Deadwood Business Club all have unanimously voted to support the Main Street Project plans presented in the public meetings. The Revitalization Committee continues their work exploring acquisition options, financing opportunities and overall operations discussions between all interested parties. The master plan was also presented to Jim Hagen,

Secretary of the Department of Tourism, who voiced his enthusiasm and support for the plan. The finance committee is working hard on the CenturyLink acquisition and a financing plan for the project!

Follow our progress on line at: www.plandeadwood.com or view the plans at the Celebrity Hotel. Over the next month, more Deadwood storefronts will have the plan on display.

PUBLIC NOTICE: Hwy 85 Reconstruction Progress

Upcoming work on the reconstruction project is as follows: Curb & Gutter Stewart St. to Walnut St.; Approaches Harrison St. to Walnut St.; Placing Base Course Deadwood Home Center to Stewart St.; Electrical from Lead Deadwood Regional Hospital to Walnut Street. The contractor will be laying asphalt September 28 through October 2, 2015, up to Mollman's Southside Service.

Weekly public meetings will continue to be held at Deadwood City Hall every Tuesday at 11am unless otherwise noted. Being open to the public, all are welcome and encouraged to attend.

The Project Team appreciates the Deadwood business owners and residents for their efforts in communicating openly with the team; input from the community has helped resolve traffic issues and mitigated many of the side effects often occurring throughout the reconstruction activities. Thank you for your patience!

For further information feel free to contact Project Solutions at (605) 718-4046 or view notices online at the City's website homepage www.cityofdeadwood.com under **Hwy 85 Project**.

Back to School – Signs of Summer’s End

As the school year has begun, you can't help but notice the yellow buses that are hauling loads of kids into hallowed halls of lockers and lost math notes. The morning routines of many have changed, either getting the kids ready for the day as we prepare ourselves, or to avoid the extra traffic of buses and carpools that concentrate on school zones. With the sudden influx of traffic and pedestrians, let's take a moment to refresh ourselves on the signs of the season – school signs.

Crossing signs for schools are essential for drivers to pay attention to this time of year, especially in the morning and afternoon hours. These yellow / green fluorescent signs alert drivers to crosswalks, playgrounds, and school zones where children are likely to be. With cell phones, books, backpacks, and new classmates all on the minds of students, drivers should remind themselves to take extra care in these areas.

In-street crossing signs often supplement the posted school signs on the road, adding more visibility to the crossing area. Depending on your state's laws, these in-street crossing signs may remind you that it is the law to either yield to pedestrians or come to a full and complete stop for pedestrians in a crosswalk.

Federal law and often state and local laws increase penalties for illegal drug-related activity in school zones. Drug Free School Zone signs are posted around schools both to remind students that drug use is a danger, and to warn potential offenders that these types of activities have no place in our communities.

No bullying signs have become an important sign to school districts in the last few years. Bullying, including cyber-bullying, has become the center of national attention, and because of this, school districts take bullying very seriously. These signs are posted both in and outside of schools, in cafeterias, hallways, and by playgrounds.

These aren't the only school signs you'll see, but at least this refresher will help to ease the transition into the school year and, gasp, the end of summer. <http://www.safetysign.com>

Century Award Program

On October 28, 2015 at 5:00 p.m., at the Deadwood City Hall, the Deadwood Historic Preservation Commission will recognize three commercial buildings as part of the Deadwood Century Awards. This event is open to the public. The Century Awards program recognizes commercial buildings within Deadwood one hundred years of age or older. Since its beginning in 1992, the Historic Preservation Commission has recognized sixty-six (66) commercial buildings over a century in age.

This year, the Cudahy Packing Plant located at 8 Lee Street, the Deadwood Public Library located at 435 Williams Street, and the Heffron Building located at 627 Main Street will be included in the Century Awards Program.

Please plan to join the Deadwood Historic Preservation Commission in celebrating the achievement of these historic resources.

For more information on the Deadwood Century Awards, please visit the webpage at: www.deadwoodcenturyawards.com and the video on the Century Awards on our YouTube channel (search deadwoodhp)

The Twin City Animal Shelter reminds you to spay or neuter your animals. Contact Sarah at 578-3918 or 584-2480 for further information.

Chamber Corner - Upcoming Deadwood Events & Happenings

October 2-3: Join us as we celebrate Oktoberfest in the Wild West. Enjoy live German music, the annual Tour de Oktoberfest, free food and dancing. Bring the whole family and join us for the now famous "Wiener Dog Races" and Beer Barrel Games! Businesses and residents should be aware of street closure on Saturday, October 3 on Main Street between Wall Street and Deadwood Street. Oktoberfest is an open container weekend, event cups will be allowed in designated areas from 5 p.m. to 10 p.m. on Friday, October 2 and Noon to 10 p.m. on Saturday.

October 8-10: The Wild West Songwriters Festival is a rare, behind-the-scenes look at the lyrical creation of some of today's hit songs, and the writers who penned them. Up to 20 of the best songwriters from around the United States gather in Deadwood, South Dakota each October to perform their hit songs "In the Round" the way they were originally written. Spectators are welcomed and encouraged to attend. There is no charge to attend the Writers Rounds and a schedule can be found at WildWestSongwriters.com. The event kicks off with a Thursday, October 8th Old Dominion concert and opening act The Farm. Friday night's concert is TBD and Saturday's concert is a Songwriter's Jam featuring the festival participants. All concerts are held at Deadwood Mountain Grand and are ticketed. Tickets to the concerts are available at TicketMaster.com or by calling 605-559-0386.

October 30-13: Don't miss Deadwood's famous Halloween celebration! Make plans to attend the Monster Ball on Friday, Oct. 30, 2015 with a live band, dancing and prizes. The annual Costume Contest features more than \$8,000 in cash and prizes for the best costumes on Saturday, Oct. 31, 2015. Both of these events are FREE, so come in costume or just come to watch - it is quite the sight! Must be 21 to participate. This event is an open container weekend, event cups will be allowed in designated areas during posted times. Host properties for this popular event will soon be determined and posted at Deadwood.com/events/deadweird.

CITY OF DEADWOOD—PUBLIC WORKS:

As snow and cold rolls back into the Black Hills, City Departments ask residents and property owners to be proactive in protecting their property by taking measures to winterizing. Frigid temperatures can lead to frozen water pipes and costly plumbing repairs; heat loss due to open crevices; and the obstruction of fire hydrants due to heavy accumulation of snow.

To help in your winterization checklist, follow these helpful tips:

- If property is vacant, either shut off water and flush pipes OR leave heat on to prevent pipe bursts;
- Detach outdoor hoses from faucets & drain hoses; insulate pipes or faucets in unheated areas;
- Seal off access doors, air vents and cracks; cover unused windows to prevent drafts;
- Know where the master shutoff water valve is located in case of an emergency water burst;
- Keep fire hydrants clear of snow to help firefighters easily locate and access water; this preserves valuable time to potentially save lives and structures.

Taking the time to do these simple steps will save you costly repairs and assist the City in serving you.
