## Deadwood Historic Preservation Spotlight Project

In August, representatives from Black Hills State University (BHSU) Herbarium picked up six cubic feet of botanical specimens collected during the 2001 to 2004 Chinatown archaeological excavations. This fall, BHSU Herbarium will analyze the collection, make recommendations for long term conservation, and help develop an educational exhibit for these objects. The City's botanical collection is unique since it provides an insight into the diet of people who once lived along Deadwood's lower Main Street before 1920. Seed and dried plant specimens from both native and introduced species are represented in the assemblage. Upon completion, the data from this collection will be included in the Collaborative Database of the Plants from Western South Dakota and Eastern Wyoming including the Bear Lodge Mountains and Black Hills, managed by the BHSU Herbarium.

## Neighborhood Block Clubs

The City of Deadwood has eight established Block Clubs. NeighborWorks/Dakota Home Resources and the Deadwood Neighborhood Council have worked together to revitalize their neighborhoods. This has been possible through social events and activities and each neighborhood has their own unique events and projects. If you are interested in a list of Block Clubs and their Council contacts, or would like more information regarding monthly meetings, please call Molly at Neighborworks at 578-1401.

## PUBLIC NOTICE: Hwy 85 Reconstruction Progress

Upcoming work on the reconstruction project is as follows: grade and base course from Regional Hospital to Corral Street; storm drain work from Stewart Street to Walnut Street; sidewalk work from Cemetery Street to Deadwood Home Center; water line work from Stewart Street to Walnut Street.

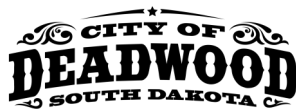

**REMINDER TO MOTORISTS:** It is a violation to block access to residential/commercial driveways. Flaggers are stationed throughout the project to ensure driveway access is maintained during heavy traffic hours. Weekly public meetings will continue to be held at Deadwood City Hall every Tuesday at 11am unless otherwise noted. Being open to the public, all are welcome and encouraged to attend.

The Project Team appreciates the Deadwood business owners and residents for their efforts in communicating openly with the team; input from the community has helped resolve traffic issues and mitigated many of the side effects often occurring throughout the reconstruction activities. Thank you for your patience!

For further information feel free to contact Project Solutions at (605) 718-4046 or view notices online at the City's website homepage [www.cityofdeadwood.com](http://www.cityofdeadwood.com) under **Hwy 85 Project**.

**Preservation Thursday — September 20, 2015** Historian Paul Hedren from Omaha, Nebraska, will explore the clash between the U.S. Army and the Northern Cheyenne Indians on March 17, 1876, just west of the Black Hills. This was the first great battle in a war fully grounded in Black Hills Gold. The fight went poorly for the army and three court-martials occurred in consequence. It was even more devastating to the Cheyenne people. Instead of avoiding this Indian War, they soon were enmeshed in all that followed, joining the great Indian coalition that fought Crook at the Rosebud and whipped Custer at the Little Big Horn. It all ties together — Black Hills Gold — Powder River — Little Big Horn. Days of 76 Museum; 12:00 p.m.

**Tie-Dye Family Workshop** — September 19, 2015  
Families are invited to discover the art of tie-dye. Participants will tie-die shirts and bandanas. See what kind of unique design and color combination you can create. For families with students in grades K-6. Homestake Adams Research and Cultural Center; 10:00 a.m.—12:00 p.m.; \$6 for members and \$11 for non-members. Reservations required. Please contact Shantel Herman, Museum Educator, 578-1657 for reservations.

**2016 Deadwood Community Calendar**  
In August, representatives from the Deadwood Community Neighborhood Block Club met at City Hall to discuss and select photographs for the upcoming 2016 calendar. A total of 33 photographs were selected for this year's calendar. The Block Club will meet again in September to refine the selection to twelve images. The Community calendar is a way to inform the residents of Deadwood about upcoming activities, Neighborworks grants and programs, and social events. For more information on the 2016 community calendar, please call the Deadwood Historic Preservation office at (605) 578-2082 or the Neighborworks office at (605) 578-1401.

**Quote of the Month:**  
My father said there were two kinds of people in the world: givers and takers. The takers may eat better, but the givers sleep better. [Marlo Thomas](#)
