PUBLIC MEETING: Lower Main Master Plan

The Deadwood Parking & Transportation Committee will be hosting a Public Meeting to reveal the master plan for the Lower Main Street parking lot **on September 16, 2014 from 6-8 PM** at the Springhill Suites in Deadwood. The master plan will be presented by members Nore Winter and Chamberlin Architects.

We encourage the public to attend and view the proposed project.

Thank you all for the community efforts in taking Deadwood from "Good to Great"!

PUBLIC SERVICE ANNOUNCEMENT: US Hwy 85 Reconstruction Update

In preparation for the scheduled highway 85 reconstruction this fall utility companies located in the Sherman and Charles Street corridor will be installing underground conduit for their facilities during the months of August and September. Work is complete from the Cemetery and Sherman Street intersection to the Stewart Street intersection. Work has now resumed and continues south with expectations of reaching the Walnut Street Bridge by mid-September.

Residential and commercial properties that are expected to be switched from overhead utility service to underground utility service may expect this to happen sometime from late August to the middle of September. Black Hills Power and the City hired electrician will schedule these changes with the landowners as the project proceeds south down Charles Street. This work is expected to cause minor traffic delays as the work is being done in the sidewalk and boulevard locations on the north side of Charles Street along with various road crossings on Charles Street. There will not at any point be a complete road closure but you can expect some periods of one lane traffic with flaggers with delays both north and south bound. Sidewalks that are removed as a result of this construction will be replaced with asphalt surfacing by the City of Deadwood as the contractor moves through the project to keep the businesses and residents in the construction area minimally impacted.

If you have any questions about this phase of the highway 85 reconstruction or the future phases of the highway construction feel free to contact Bob Nelson Jr. with the City of Deadwood at 578-2082 or email bobjr@cityofdeadwood.com.

THE FIRST DAY OF AUTUMN
Tuesday, September 23, 2014

September 24, 2014—Wednesday
Historic Preservation Commission Meeting
5:00 PM @ Deadwood City Hall

"Deadwood Stagecoach Days: 1876-1890"

On September 5-6, 2014, Deadwood History, Inc. will host the first annual "**Deadwood Stagecoach Days: 1876-1890**" at the Days of '76 Museum and Rodeo Grounds in Deadwood. This two-day event is co-sponsored by the Deadwood Historic Preservation Commission and National Stagecoach & Freight Wagon Association.

Deadwood's youthful attitude pervades the historic community year in and year out with the annual Days of '76 Celebration when the town harkens back to gold rush days where the only access to the gulch was by foot, horse, mule or ox team. Freight wagons and stagecoaches made the journey to the Black Hills on trails from Cheyenne, Sidney, Bismarck, Medora, Miles City and Fort Pierre.

The event features stagecoach and freight wagon demonstrations, wagon show and dust off, talks by noted historians and wagon experts, musical entertainment, 19th century craftsmanship expo, old-fashioned games, tours of the Days of '76 Museum's carriage collection, chuck wagon meal and more.

Registration is \$80 for both days (includes all activities and meals) or \$45 for one day (includes all activities and meals). On Saturday tickets will be available at the gate for \$15 for adults and \$5 for children, meals not included but may be purchased separately for \$15 per person. For more information about this exciting new Deadwood Stagecoach Days, please call (605)722-4800 or visit www.DeadwoodHistory.com.

Wall of Fame

Deadwood's Historic Preservation Office located at 108 Sherman Street is now accepting applications for the 2014 Deadwood Wall of Fame program. This program began in 2005 as a way to honor individuals who made a significant contribution to the history and development of Deadwood. Deadwood's Historic Preservation Commission would like to encourage the general public to submit a completed application of individual(s) in the following fields: *Arts and Humanities; Athletics; Business & Trade; Educational & Cultural Affairs; Governmental Affairs; Historical Characters; Professional; and Unsung Heroes & Good Hearts.*

Since it began in 2005, a total of 18 individuals have been honored as a result of this program. The Deadwood Wall of Fame is on permanent display at the Deadwood City Hall (102-108 Sherman Street) and also online at www.deadwoodcenturyawards.com under "Wall of Fame" tab.

Applications for the Wall of Fame can either be picked up at the Historic Preservation Office located at 108 Sherman Street or be downloaded from the City's webpage www.cityofdeadwood.com under **Permit, Licenses, & Forms**. All applications to be considered for the 2014 Wall of Fame must be submitted no later than Friday, September 19, 2014. The Deadwood Historic Preservation Grants, Recognition, Advocacy, and Public Education committee will review all completed applications and select two. The selected nominees will be unveiled during one of the regularly scheduled Historic Preservation Commission meetings in October 2014.

September is Self Improvement Month! Let's Take a Walk

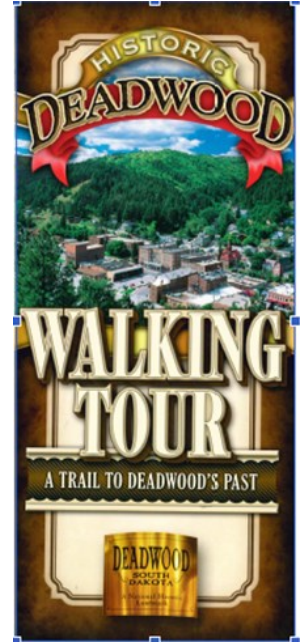

What better way to kick off the "Self Improvement Month of September" than to focus on the health and wellness of your whole being. A big part of doing so is by eating healthier and moving more. But it takes a commitment on your part to become a healthier person.

It is a proven fact that walking boasts a number of physical benefits, such as lowered blood pressure, decreases risk of stroke, slows mental decline, lowers Alzheimer's risk, improves sleep and strengthens the heart and lungs, increasing your overall fitness.

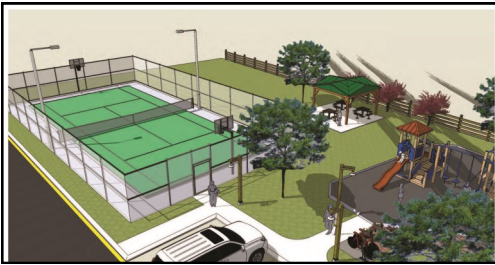

Because walking is very low impact, it is the best starting point for anyone just beginning to exercise. Walking can improve muscle endurance as well as muscle strength especially in the lower body. But it also benefits one mentally by helping to relieve stress. Research by the Mayo Clinic in 2008 shows that a 30-minute brisk walk significantly improves your mood after 2, 4, 8, and 12 hours compared to those who don't exercise.

One of Deadwood's greatest assets for tourists and residents alike, is the "Walking Tour: A Trail of Deadwood's Past". This brochure, which can be found by stopping by the Visitor Information Center, Chamber of Commerce or City Hall, leads you along a path of Deadwood's history. On your stroll through our Deadwood, you will encounter 17 interpretative signs depicting landmarks and historic events.

So, come on, get moving, and jumpstart the month of September by deciding to "Take a Walk!" and enjoy what our beautiful, historic town of Deadwood has to offer.

PROJECT UPDATE: Rotary Park/"Martha Bullock Memorial Park"

If you have driven by and noticed a flurry of activity taking place at the Rotary Park/ Martha Bullock Memorial Park, you will see a tennis court/pickle ball court taking shape. In the next couple weeks you will also observe the constructing of the new playground area and shelter.

Completion of the project is anticipated for mid-September. Once done, look for a public announcement of the rededication of the park by Mayor Turbiville and the City Commission.

If you happen to see one of the Deadwood City Commissioners in your travels, please take a minute to say thank you for approving the funding to enhance a beautiful community space in Deadwood. The City of Deadwood hopes to see you this fall enjoying the newly renovated and dedicated "Martha Bullock Memorial Park".

Chamber Corner - Upcoming Deadwood Events & Happenings

Kool Deadwood Nites August 21- 24: Kool Deadwood Nites brings car lovers together for four days full of classic cars, classic music and classic fun. It's a 50's and 60's sock hop - Deadwood style. Enjoy parades, show and shines and FREE concerts on Main Street featuring the biggest names in rock 'n roll history.

2014 Deadwood Jam September 12-13: Rock, reggae and blues fill the Black Hills for two incredible days of outdoor concerts. LIT, April Wine, The Grass Roots, Fastball, Filter and more to play 2014 Deadwood Jam! Plus, enjoy food, Wild West entertainment and breath-taking views of the Black Hills.
