\*Event dates subject to change \*

**COMING SOON!**

The City of Deadwood would like to alert residents and visitors of upcoming changes to the paid parking areas throughout town.

The first significant change you will notice will be at the Broadway parking ramp, where you will find new Pay by Plate kiosks located at key exit points of the garage. When a customer arrives, they will park and then pay at any of the four kiosks located throughout the garage. Transactions take only a few seconds and the kiosks will accept credit cards and coins.

locations to pay.

City parking lots will also be upgrading to the Pay by Plate kiosks. The kiosks will be conveniently located in different areas of the parking lots to allow the customer more

Along with these changes, we will also begin promoting the ParkSmarter App. This application allows customers the option to pay online similar to Passport, which the City offered in the past, but with a more user friendly platform.

If you have questions about parking, please contact Jeramy Russell at (605) 578-2082.

**Urban Trail System**

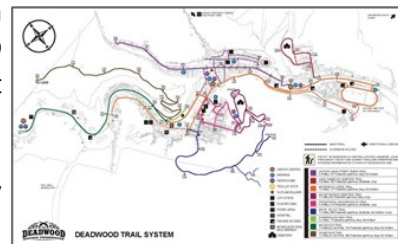

The City of Deadwood in partnership with the City of Lead, Northern Hills Recreation Association and the Main Street Initiative collaborated together to create an urban trail system. Multi-modal trails have been identified in Deadwood, Lead and the surrounding area. These trails are identified by urban trail markers and an informational brochure with map.

The Deadwood Trail System will initially consist of ten urban trails of varying lengths and connections. Universal directional signage is being installed along the trails to assist in providing a safe and informative hiking experience.

In addition to traversing historic Deadwood, the trail system provides scenic views, possible up close and personal encounters with wildlife and the opportunity to enjoy some of the charming historic neighborhoods within Deadwood.

The informational brochure and map was designed and printed by the Northern Hills Recreation Association with funding by BID 8. The brochures are available at the Deadwood Welcome Center, History and Information Center, Deadwood City Hall and the City of Deadwood website.

**January 14: Preservation Thursday: *Getting Back to Organic***

– Michelle Grosek, co-owner of Bear Butte Gardens, will share her knowledge and principles of various traditional and natural farming methods. Grosek will answer some important but fundamental questions about soil: What was farming like for the pioneers in the 1880s? What were the types of soil that farmers encountered over a hundred years ago in and around the Black Hills? How did the pioneers and today's organic farmers deal with issues such as insect management and drought? Grosek will talk about the importance of maintaining soil biodiversity, and the benefits of using natural methods to grow food crops in soil that is naturally healthy and fertile. Homestake Adams Research and Cultural Center; 12:00 p.m.; free for members and \$5 for non-members. Masks are required, and social distancing and

5:00 p.m. @ Deadwood City Hall

**Snow Removal Notifications**

In an effort to streamline snow removal activities, the Public Works Department will no longer post signs in your neighborhood indicating when vehicles need to be removed for snow clearing. Staff now utilizes CodeRED to send notifications to Deadwood residents when vehicles need to be removed from the roadway.

To receive notifications, please register online at [www.cityofdeadwood.com](http://www.cityofdeadwood.com), Community, Public Safety, CodeRED. If you need assistance registering, please call the City of Deadwood at (605) 578-2082 or stop by City Hall at 108 Sherman Street.

**Utility Rates**

**Effective January 1, 2021**, City of Deadwood utility rates increase 5% due to on-going infrastructure maintenance and repair costs.

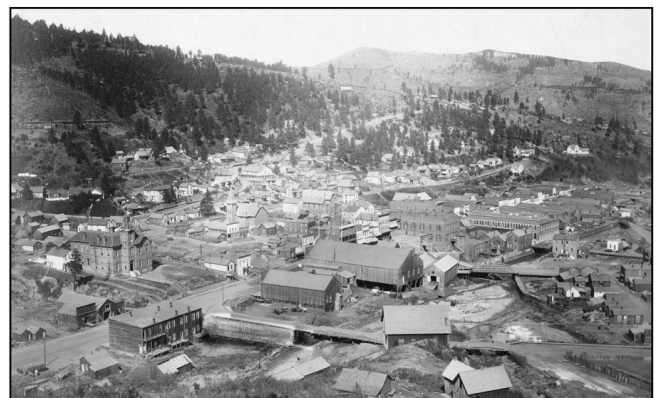

The new rate for trash/recycling collection is **\$22.25** plus applicable taxes.

*Thank You Deadwood!*

*Mayor David R. Ruth, Jr. and the City Commissioners would like to thank the Deadwood residents for showing their holiday spirit this year by lighting up Deadwood!*

The City of Deadwood Historic Preservation Office and the Deadwood Neighborhood Council hope you are enjoying your 2021 Community Calendar!

Extra calendars are available at City Hall on a first come first serve basis if you would like an extra one or two.

## WINTER FIRE SAFETY

Winter holidays can be a joyous time for all, but nearly 50% of civilian fire deaths occur throughout the winter season; November -February. Most heating fires in South Dakota involve fireplaces and chimneys. The most dangerous place to be, with regard to fire, is your own home. Your home can be a cozy warm place away from a harsh winter, but it can also become dangerous if you don't take special precautions.

### Tips to Eliminate Winter Fires:

- Safety around heating equipment and appliances is an important first step in reducing the threat of fire. Keep children and loose clothing at a safe distance.
- Use a yardstick to measure the distance between heating equipment and combustible material. Unless you have three feet of clearance, you are at risk.
- Always turn off portable heating appliances when leaving home or retiring for the evening. Be sure the fire in the fireplace is out before going to bed.
- Have chimneys, fireplaces, and other heating devices inspected by a qualified professional at the start of every heating season.
- Use a sturdy screen or glass closure in front of your fireplace, and burn only clean fireplace wood. Never burn treated lumber.
- Install smoke detectors on every level of your home, including the basement, and test them monthly.
- If you smell gas in your home, contact your local utility company or qualified professional heating contractor and follow their advice.
- Inspect heat tape before using it. Never thaw pipes with an open flame.

### Winter Safety Tips:

- Protect neighborhood homes this winter. Keep your nearest fire hydrant clear of snow.
- After holiday parties, check wastebaskets and furniture for smoldering cigarettes.
- Place holiday decorations well away from heat sources. If you have a tree water it daily.
- Do not burn holiday wrappings in a fireplace; it may cause a chimney fire.
- Pay attention when cooking. If a pan is on fire, cover it with a lid. Water will spread a fire.
- Turn off and unplug lights and decorations before going to bed or leaving your house. Buy electrical decorations approved by a national testing laboratory. Don't overload outlets.

### Candle Burning Safety Tips:

- Place candles on a secure surface in sturdy noncombustible holders which won't tip over. Make sure the holder is large enough to catch drippings.
- Keep candles away from children and pets. Candles should be out of children's reach.
- Keep candles away from combustible items such as curtains, books and paper. Remember the "three-foot rule" - anything combustible needs to be kept three feet free from a heat source.
- Keep candles away from flammable liquids. Do not use a candle for light when fueling a kerosene heater or lantern. The flame may ignite the fumes.
- Avoid using candles during a power outage. A flashlight is a safer option. Don't carry a lit candle.
- Remember to extinguish candles when leaving the room or going to sleep. Never leave children or pets unattended in a room with a lit candle.

## Chamber Corner

**January 29-30: Deadwood Snocross Showdown & Snowmobile Rally** – Professional snowmobile racing returns to Historic Deadwood, January 29-30, 2021. More than 300 of the top Snocross racers will descend on the Days of '76 Event Complex for a weekend of high-flying, high-speed, high-octane snowmobile racing. See it live! Tickets start at \$21 for adults. Discount passes available for kids 5-12; kids under 5 are free. Tickets are on sale now at [www.DeadwoodSnocross.com](http://www.DeadwoodSnocross.com).

**January 30: Deadwood's Third Annual K-9 Keg Pull** – Calling all K-9s! Dogs of all shapes, sizes, kinds and colors are invited to test their muscle on the snowy cobblestones of Deadwood Street at Outlaw Square. Man's best friend will be assigned a division depending on their weight. Dogs will wear a harness attached to an appropriate sized keg. The fastest dogs in each class win! Registration is at 11:00 a.m. and racing starts at 1:00 p.m. Deadwood Street will be closed from 9:00 a.m. to 6:00 p.m. for the event.

## **Pet Licensing**

The City of Deadwood would like to remind you about the importance of licensing your animals. Not only is licensing required within the city limits, but it also helps our Animal Control Officers return your pet if it is found.

Please contact the Deadwood Police Department at (605) 578-2623 and ask for an Animal Control Officer if you have any questions regarding licensing your pet.

The cost for a license is as follows:

**\$5.00 for spayed or neutered animals**

**\$10.00 for non-spayed or non-neutered animals**

## **MAIN STREET INITIATIVE**

**ALL MEETINGS ARE OPEN TO THE PUBLIC**

The Committees meet as follows:
