Deadwood Custom Cycles Donates Motorcycle

Jason Mook, owner of Deadwood Custom Cycles, is a veteran and former law enforcement officer. He wanted to do something to show his appreciation for law enforcement and decided to do what he does best to build an amazing motorcycle for the Deadwood Police Department.

The Deadwood Police Department would like to thank Jason, Charlie and everyone at Deadwood Custom Cycles, Legend Suspension, Revolution Performance, Paul Yaffe's Bagger Nation, Drag Specialties, Klock Werks, Letric Lighting Co., NAMZ Custom Cycle Products, Bassani, Baker Drivetrain, Le Pera, Dynojet, Open Throttle Customs, Michelin, Dakota Digital, Badlands Motorcycle Products, Powder Coating Manufacturing Systems, Fenix, Feuling Parts, Hawg Halters Inc., Arlen Ness, and Kicker Audio. So many people came together for this build, and we apologize if we missed anyone.

The amount of work, time, and love that went into this bike is easily seen in the build. A big thank you to Big Kenny of Big & Rich, Lieutenant Governor Larry Rhoden, Mayor David Ruth Jr., City Commissioner Gary Todd, Karen Davidson of Harley-Davidson and everyone who presented us with this beautiful bike.

If you would like to see more about this build, make sure you tune into Crank It Up Garage on Circle All Access on July 8, 2021.

2021 City Archives Intern

On May 18, 2021, Ms. Alli Baloun of Spearfish, South Dakota began the City Archives eight week summer internship. The purpose of the City Archives internship program is to provide high school and college students an opportunity to work in the field of archives and archaeology while receiving practical on the job experience. In 2020, Ms. Baloun graduated from Spearfish High School and is currently enrolled at Arizona State University in Tempe where she is studying Anthropology / Archaeology.

Since her arrival, Ms. Baloun has been a tremendous help in cataloging the backlog of archaeological objects from the 2009, 2010, 2011 and 2018 Deadwood History Inc. student archaeological camps. While cataloging these collections, she cleaned an early Black Hills gold pendant and silver wedding band. She has also helped process several small archival collections and scanned in numerous architectural plans and historic photographs. Upon graduation, Ms. Baloun is planning on working in an archaeological laboratory.

July 9: History on the Lawn: *The Ghost Town of Tinton, South Dakota*
 – Established in 1903, the town of Tinton, South Dakota, now sits abandoned and alone in the last untouched area of the Northern Hills. During its fifty years of existence it shined as a juxtaposition against the well-earned reputation of the Black Hills being a gold mining region. While its mines did produce gold, they also rendered tin, mica, tantalite, feldspar, and spodumene. Historian, writer, and conservationist, Chris Hills, will explain how the town's life was influenced by its non-traditional products and why it ultimately failed. Bring a lunch and enjoy the Historic Adams House lawn; 12:00 p.m.; free for members and \$5 for non-members. In case of inclement weather, the lecture will be moved to the Homestake Adams Research and Cultural Center (HARCC).

July 12-14: Paleontology Camp – Campers are invited to participate in Paleontology Camp where they will learn about different dinosaurs, marine reptiles, and plants that populated South Dakota millions of years ago while also understanding what it takes to be a paleontologist. Students will create their own dinosaurs, learn how fossils are made, experience an excavation, and visit the Adams Museum's one-of-a-kind plesiosaur. Paleontology Camp starts and concludes at the Days of '76 Museum. For students going into grades 1-3; 9:00 a.m. – 4:00 p.m. This camp is free to participants, but reservations are required and space is limited. Please call Amanda Brown, Education Director, at 605-578-1657 for reservations.

July 19, 2021 — Monday
City Commission Meeting
 5:00 p.m. @ Deadwood City Hall

July 19-21: Time Traveler's Camp – Take a trip through time with Time Traveler's Camp and experience the different cultures that shaped Deadwood History. Learn about the Chinese immigrants that called Deadwood home, the European settlers that populated South Dakota, and the Native Americans that have been here since the beginning. Explore traditions, foods, histories, languages, and more that each of these groups contributed to the history of Deadwood, the Black Hills, and South Dakota. Time Traveler's Camp starts and concludes at the Days of '76 Museum. For students going into grades 1-3; 9:00 a.m. – 4:00 p.m. This camp is free to participants, but reservations are required and space is limited. Please call Amanda Brown, Education Director, at 605-578-1657 for reservations.
