**Public Works Snow Removal Reminder**

The Deadwood Public Works reminds you cars need to be removed from the street during snow removal. Residents will be notified of street cleaning via CodeRED and/or street posting one day in advance. If your car is not removed prior to snow removal it will be ticketed and towed.

Sidewalks need to be cleared within 24 hours after the snow stops falling. Failure to clear your sidewalk will result in it being cleared by a contractor hired by the city. Those fees will be passed on to you along with a \$50 administrative fee. Snow should not be shoveled or blown into the street after the street has been cleaned.

The Public Works Department appreciates the cooperation of the citizens to assure our streets are passable and our sidewalks are safe.

Sign up for CodeRED at [www.cityofdeadwood.com](http://www.cityofdeadwood.com). Please call (605) 578-3082 for any questions or should you need additional information.

**10.12.046 Restrictions On Parking For Snow Removal and Street Cleaning**

A. Policy for snow removal and cleaning of streets.

It is hereby declared to be in the best interest of the public policy and public safety of the city to regulate and restrict the operation and/or parking of vehicles or trailers on public streets or parking lots during snow removal or cleaning of streets or parking lots.

B. Public Responsibilities.

In regards to snow removal or cleaning of streets and parking lots, residents or other owners of parked vehicles or trailers shall be responsible for knowing the snow removal or cleaning status of their street of residence or the street or parking lot where their parked vehicle or trailer exists.

C. Prohibited operation/parking during snow removal or street cleaning.

The Public Works Director or their designee shall have authority to prohibit operation and/or parking on any street or parking lot for which said street or parking lot is being cleaned.

1. Notice of such prohibited operation or parking shall be given by electronic and digital messaging via text message, phone call, or email; or by placing proper signs on said streets or parking lots a minimum of 12 hours prior to snow removal operations or street cleaning operations.
2. No vehicle shall be operated or parked in such a manner as to interfere with cleaning of streets by the city; and if operated or parked on any street where the city is cleaning therefrom, the owner or person in charge of said motor vehicle or trailer shall move it at once upon request from law enforcement or the city employee in charge of snow removal or cleaning.
3. Any vehicle operated or parked in violation of this section will be moved by the city and the owner thereof shall be responsible for all fees and fines associated with this towing and storage.

## Fire Prevention Week 2022

**October 9-15, 2022**

This year's Fire Prevention Week theme is **"Fire Won't Wait. Plan Your Escape"**. During the week, the Deadwood Volunteer Fire Department will visit schools, host tours of the fire station for the kids, and hand out packs to them as well.

This week is a great time to plan ahead and make a home escape plan using the Safety Tips below.

1. Draw a map of your home showing all doors and windows. Discuss the plan with everyone in your home.
2. Know at least two ways out of every room, if possible. Make sure all doors and windows leading outside open easily.
3. Have an outside meeting place (like a tree, light pole or mailbox) a safe distance from the home where everyone should meet.
4. Practice your home fire drill at night and during the day with everyone in your home at least twice a year using different ways out.
5. Teach children how to escape on their own in case you can't help them.
6. Close doors behind you as you leave.

Visit [www.nfpa.org](http://www.nfpa.org) for more information.
