She holds a bachelor's degree in history and political science and a master's degree in public administration. After completing undergraduate studies, Lexi and her husband set the intention to return to Deadwood for their deep appreciation for the community, residents, and its rich historical heritage. Through her expertise and volunteer services, she remains committed to preserving the area's history, supporting education, and strengthening the community for future generations.

Stars, Stripes, and Gold Rush Spirit!

This Independence Day the spirit of the Black Hills meets red, white, and blue in the legendary towns of historic Deadwood, Central City, and Lead creating an unforgettable weekend!

The annual parade begins at 3:00 pm on July 4, traveling through Deadwood, Central City, and Lead. The parade itself was brought together by the Deadwood Chamber of Commerce, helping continue one of the region's most cherished traditions. If you would like to participate in the parade, please contact Jesse at (605) 578-1876 or jesse@deadwood.org.

As evening falls, everyone is invited to gather for a firework display starting at 9:30 pm in Lead. Prime viewing location is at the Manuel Brothers Park next to the Homestake Visitors Center. This year's fireworks celebration was made possible through a collaborative effort between the Lead Chamber of Commerce and the Deadwood Historic Preservation Commission.

On July 5 at 10:00 am, history comes alive once again with a commemorative vintage base ball game at Mountain Top Field in Lead. Stick around after the game and enjoy a community potluck at 12:00 p.m. provided by the Lead Fire Department, in honor of America's 250th anniversary!

DANR announced the Deadwood Public Water System and the system's certified operators have been awarded a Drinking Water Certificate of Achievement Award. The award is for outstanding water system operations and environmental compliance with state drinking water standards for the past year.

“Safe and dependable drinking water plays an important role in protecting public health and supporting economic growth,” said **DANR Secretary Hunter Roberts**. “This recognition highlights the hard work of our drinking water professionals across South Dakota who keep these systems running everyday.”

Licensing, Control of Pets, and Pick up Excrement

Pet owners are reminded that all cats and dogs within city limits must be licensed with the City. Licenses are valid from May 1 through April 30 of the following year, and newly acquired pets must be registered promptly.

City ordinances also require that pets be kept under control and restrained by leash when off their owner's property. To help keep our community safe, please ensure your pets are properly licensed, contained, and supervised at all times, and remember to clean up after them when enjoying public spaces.

Responsible pet ownership helps make our city a safer and cleaner place for everyone.

86th Sturgis Rally!

The City of Deadwood would like to remind all property owners who wish to rent out their homes to rally-goers that they may do so from Monday, August 3 to Wednesday, August 19, 2026. Please ensure any online advertisements are clearly notated as a Rally Rental and block out any booking availability outside of the above dates.

For questions about rules and regulations pertaining to vacation rentals, please contact the Planning & Zoning Department at City Hall (605) 578-2082.

Saddle Up for the Days of '76 Rodeo!

As Deadwood gears up for the 104th annual Days of '76 Rodeo, residents should be aware of the temporary traffic adjustments taking place July 18 - 26, 2026. Due to ongoing Crescent Drive improvements and rodeo operations, all cowboys, horses, trailers, and rodeo-related vehicles will be directed through DUNLAP AVENUE ONLY, to access their designated areas within the rodeo grounds and arena.

Whether you're hauling stock, chasing buckles, or cheering from the grandstands, please follow posted signage and staff directions to help keep traffic moving safely and efficiently.

Then tip your hat and join us for the 150th anniversary of Deadwood and America's 250th birthday at the Days of '76 Rodeo - the Best Rodeo, No Bull! For more information and to purchase tickets, please visit daysof76.com
