City of Deadwood
HISTORIC PRESERVATION COMMISSION
Wednesday, October 9, 2019

Present Historic Preservation Commission: Lyman Toews, Beverly Posey, Robin Carmody, Tom Blair, Tony Williams and Willis Steinlicht

Absent: Dale Berg

Present City Commission: Charlie Struble

Present Staff: Kevin Kuchenbecker, Historic Preservation Officer, Jeramy Russell, Planning and Zoning Administrator, Trent Mohr, Building Inspector, Susan Trucano, Neighborworks and Bonny Anfinson, Program Coordinator

All motions passed unanimously unless otherwise stated.

A quorum present, Vice Chairman Posey called the Deadwood Historic Preservation Commission meeting to order Wednesday, October 9, 2019 at 5:00 p.m. in the Commission Room located in City Hall at 108 Sherman Street in Deadwood, SD.

Approval of HPC Minutes:

September 25, 2019 Regular Meeting

It was moved by Mr. Blair and seconded by Mr. Williams to approve the HPC minutes of Wednesday, September 25, 2019. Aye – All. Motion Carried.

Voucher Approval:

It was moved by Mr. Toews and seconded by Mr. Steinlicht to approve the HP Operating Account in the amount of \$90,191.87. Aye – All. Motion carried.

Revolving Loan Fund and Historic Preservation Programs:

HP Program Grant Funds

It was moved by Mr. Toews and seconded by Mr. Blair to approve HP Grant Fund disbursements in the amount of \$9,303.46 based on information as presented. Aye - All. Motion carried.

Grant Requests – Exhibit A

- i. Paul Casey – 370 Williams – Wood Windows & Doors
- ii. 664 Main – Kevin Johnson – Historic Ghost Mural

It was moved by Mr. Toews and seconded by Mr. Blair to enter Paul Casey, 370 Williams, Wood Windows & Doors and Kevin Johnson, 664 Main, Historic Ghost Mural into the grant programs. Aye - All. Motion carried.

Revolving Loan Voucher Approval

It was moved by Mr. Toews and seconded by Mr. Blair to approve the Revolving Loan disbursements in the amount of \$15,024.10 based on information as presented. Aye - All. Motion carried.

Revolving Loan Program – Exhibit B

- i. John Hopkins – 308 Williams – Request to Charge Off Loan

It was moved by Mr. Toews and seconded by Mr. Blair to approve the charge off of loan for John Hopkins, 308 Williams. Aye - All. Motion carried.

- ii. Jill & Todd Weber – 562 Williams – Retaining Wall Loan Request
- iii. Erica & Ryan Bussiere – 45 Burnham – Foundation/Life Safety Loan Requests
- iv. Glen Fasnacht – 74 Van Buren – RLF Safety Loan Request

It was moved by Mr. Blair and seconded by Mr. Steinlicht to approve the loan requests. Aye - All. Motion carried.

Old or General Business:

Firewise Update – Mike Runge

Mike Runge gave a report on Firewise and how this program is important to Deadwood and protecting historic resources. Kuchenbecker and the Commission complemented Runge on his efforts and dedication.

Headstone Grant Program Application Approvals – Exhibit C

Mr. Kuchenbecker stated the Project Committee met and reviewed the headstone grant applications and recommend accepting #19001 Perry Johnson, #19002 Catherine Ingram, #19003 Charles Ingram, #19004 Harry DeLeray into the Headstone Grant Program. ***It was moved by Mr. Blair and seconded by Mr. Toews to accept #19001 Perry Johnson, #19002 Catherine Ingram, #19003 Charles Ingram, #19004 Harry DeLeray into the Headstone Grant Program. Aye - All. Motion carried.***

Update and issues of hillside cut at First Gold – Mike Towey

Mr. Kuchenbecker reported he has not heard from Mr. Towey regarding the project but will make contact with him.

It was moved by Mr. Blair and seconded by Mr. Steinlicht to continue the update and issues of hillside cut at First Gold until next meeting. Aye – All. Motion carried.

Main Street Initiative Update

Mr. Kuchenbecker reported the Promotion Committee has a few activities coming up – Little Black Dress which is a partnership with Deadwood History as a fundraiser for the Brothel Tours. Big Whiskey and HoHo Horseshoes. The Design Committee has several projects going on. Economic Restructuring meets next week.

Main Street Initiative – Century Link Building Façade – Ken Geinger – Exhibit D

Ken Geinger stated the Main Street Initiative Committee would like the commission to consider working with Century Link and design a façade and interior for the Century Link Building to include the first floor public bathrooms and retail space and on the second floor more retail space and living quarters. The current exterior look of the building does not fit the historical look of Deadwood. Hopes are to have the City pay to have plans drawn up and present to Century Link so they can see what could be done with the building. Mr. Kuchenbecker stated this would provide information for Century Link so they can see what it would look like and how Deadwood could utilize the building to its fullest extent. There is room for more retail in the building along with public restrooms. ***It was moved by Mr. Toews and seconded by Mr. Blair to recommend to the City Commission to direct staff to issue a RFP for Architectural Services to provide conceptual design for the Century Link building to be paid out of the Professional Services line item. Aye – All. Motion carried.***

Demolition by Neglect – 20 Washington – Exhibit E

Mr. Kuchenbecker gave a chronology of the recent determinations and actions by the Historic Preservation Commission and the City of Deadwood regarding the Demolition by Neglect status of 20 Washington. Should the City take action, it would be for legal to secure a Summary Judgement. It is currently on the market for sale. Mr. Toews asked how much effort are we talking about to get this property up to standard. Are we looking at three months? Mr. Mohr stated if a contractor with a crew of four or five guys it could be thirty days. Mr. Kuchenbecker stated the ball park figure for repairs is \$20,000 - \$30,000. Vice Chair Posey asked what would be the minimum amount of work needed to get the property out of Demolition by Neglect. This would add to the value and the ability for the owner to sale the property which means we would get our money back. Mr. Kuchenbecker stated if the City took action it would be a lean on the property with hopes we would get our money back. It could take 30 days and up to \$30,000 to bring it in to compliance. It would not be a full restoration. Some issues on the structure are unknown. If this is the direction the commission wants to go first legal would go before a Judge and get a Summary Judgement. Once we have the Judgement our next step would be to access the property to write a scope of work. Anything over \$25,000 has to be a bid project. We will have to advertise and award the bid. If the Commission takes action tonight we could get a contractor lined up by spring. If we don't take action we are delaying the project. Mr. Steinlicht asked if Wyatt would continue working on the house if we let him. Mr. Kuchenbecker stated there has been some work done. He has had every opportunity to get the work done. By the time we award the contract he could have it fixed. ***It was moved by Mr. Blair and seconded by Mr. Toews to recommend to the City Commission to take legal actions that would require the work to be completed at 20 Washington to bring it into compliance. Aye – All. Motion carried.***

Deadwood Chamber of Commerce – Supplement Budget Request – Exhibit F

Lee Harstad stated there has been a 12 percent increase in the number of visitors visiting the History and Information Center and the Welcome Center which is an average of 1,419 people per day. Because of the increased participation the Chamber does not have enough funds to pay a staff person to assist in the off season at the Deadwood Welcome Center. There are still busses coming into town with many tourists. The Chamber is requesting to supplement their budget by \$5,544.00. Mr. Kuchenbecker stated the letter was sent to the City Commission to request funds from Bed and Booze but it was forwarded onto Historic Preservation Commission for consideration. Mr. Toews suggested they go back and request funds from Bed and Booze and have the City Commission supplement Bed and Booze budget. ***It was moved by Mr. Blair and seconded by Mr. Steinlicht to continue this item until the next meeting. Ms. Carmody Abstained. Aye – All. Motion carried.***

Project Approval/Certificate of Appropriateness Application Form Update – Exhibit G

Mr. Kuchenbecker stated updates need to be made to the Project Approval form to include decks because we are having specific issues regarding constructing them. While we are making this addition we are also making a few other corrections to the form to better the process. ***It was moved by Mr. Toews and seconded by Mr. Blair to approve the suggested changes to the Project Approval and Certificate of Appropriateness Form. Aye – All. Motion carried.***

New Matters before the Deadwood Historic District Commission

COA 190329 – Kevin Johnson – 658, 662, 664 Main Street – Repair Mortar Cap/Roof Repairs – Exhibit H

Mr. Kuchenbecker stated the applicant has submitted a Certificate of Appropriateness for work at 658, 662, 664 Main Street, a contributing structure located in the original town of Deadwood. The applicant requests permission to repair the mortar cap on 664 Main Street and repair roofs at 662 and 658 Main Street with a standard roof replacement. The

proposed work and changes do not encroach upon, damage or destroy a historic resource or have an adverse effect on the historic character of the State and National Register Historic Districts or the Deadwood National Historic Landmark District. ***It was moved by Mr. Blair and seconded by Mr. Toews based upon all the evidence presented, I find that this project does not encroach upon, damage, or destroy any historic property included in the national register of historic places or the state register of historic places, and therefore move to grant a project approval to repair the mortar cap on 664 Main Street and repair roofs at 662 and 658 Main Street with a standard roof replacement. Aye – All. Motion carried.***

COA 190330 – Kevin Johnson – 664 Main Street – Restore Two Ghost Murals – Exhibit I

Mr. Kuchenbecker stated the applicant is requesting permission to restore the two historic ghost murals located on the building at 664 Main Street. The applicant is also applying for the Historic Ghost Mural Program. The proposed work and changes do not encroach upon, damage or destroy a historic resource or have an adverse effect on the historic character of the State and National Register Historic Districts or the Deadwood National Historic Landmark District.

It was moved by Mr. Toews and seconded by Mr. Blair based upon all the evidence presented, I find this project does not encroach upon, damage, or destroy any historic property included in the national register of historic places or the state register of historic places, and therefore move to grant a project approval to restore two ghost murals on the building located at 664 Main Street. Aye – All. Motion carried

New Matters before the Deadwood Historic Preservation Commission

PA 190328 – Paul Casey – 370 Williams – Repair windows/install storm windows/replace front door – Exhibit J

Mr. Kuchenbecker stated this is a contributing structure located in the Forest Hill Planning Unit circa 1880/1895. The applicant is requesting permission to repair and/or replace broken existing windows and install new storm windows and storm doors. Plans are to replace the primary front door. The applicant is applying for the Wood Windows and Doors Program. It is staff's opinion the proposed work and changes do not encroach upon, damage or destroy a historic resource or have an adverse effect on the character of the building or the historic character of the State and National Register Historic Districts or the Deadwood National Historic Landmark District. ***It was moved by Mr. Blair and seconded by Mr. Toews based upon all the evidence presented, I find this project does not encroach upon, damage, or destroy any historic property included in the national register of historic places or the state register of historic places, and therefore move to grant a project approval to repair and/or replace broken existing windows and install new storm windows and storm doors and replace the primary front door at 370 Williams. Aye – All. Motion carried.***

Items from Citizens not on Agenda

Staff Report (*items will be considered but no action will be taken at this time.*)

Mr. Kuchenbecker distributed the Commission on Gaming Annual Report. The West River History Conference is October 10-12, 2019. There will be a dedication of the flag pole and plaque presentation at the Adams House on Saturday for James O. Aplan. The Songwriters festival will be this weekend as well. Williams Street will be shut down on Monday for three weeks for the repair of a retaining wall. Staff is working on a contract with the Chamber for the History and Information Center since it has expired.

Committee Reports

Mr. Toews stated the Design Committee is working on the vacant window. DHI and Mr. Kuchenbecker are working on windows at Dairy Queen. Working on a Best Window Display contest. Put pedestrian sign at Mickelson Trail. Working at putting a sign at Whitewood Creek. Jeremy Russell is working on Urban Trail maps. A long term project is city wide bronze statues. Looking to see if we can't acquire the billboard across from Mineral Palace.

Ms. Posey stated she is picking up the tubes and stakes in the open lot across from Mineral Palace. The Block Clubs met and picked out the pictures for the calendar. The Deadwood Trust for Historic Preservation is doing a Home Tour on October 20, 1:00 p.m. at a cost of \$20.

Other Business

The Historic Preservation Commission Meeting adjourned at 6:25 p.m.

ATTEST:

Chairman, Historic Preservation Commission
Bonny Anfinson, Historic Preservation Office/Recording Secretary

EXHIBIT A

MEMORANDUM

Date: October 18, 2019
To: Deadwood Historic Preservation Commission
From: Kevin Kuchenbecker, Historic Preservation Officer
Bonny Anfinson, Program Coordinator
Re: Historic Preservation Program Grant Extensions

The following Historic Preservation Program applicants are requesting an extension of their Grant. Staff's recommendation follows for the extension requests.

- Kurt & Dawn Bialas..... 24 Raymond Wood Windows & Doors
The grant expires on 10/20/19. The applicant has the materials ordered and is waiting on delivery. Staff recommends extending the grant for an additional six months which will expire 04/20/2020.
- Meghan Clemens....462 WilliamsSiding/Wood Windows & Doors
The grant expires on 10/16/19. The applicant has a contractor but he has not started the project as of yet. Staff recommends extending the grant for an additional six months which will expire 04/19/2020.
- Sylvia Trents 57 LincolnFoundation
The grant expires on 10/14/19. The applicant has a contractor hired and has started work. Staff recommends extending the grant for an additional three months which will expire on 01/18/2020.
- Lee Thompson..... 47 Forest Wood Windows & Doors
The grant expires on 10/14/19. The applicant has the windows on site and is waiting for the contractor to install them. Staff recommends extending the grant for an additional three months which will expire on 01/14/2020.
- Kris Fenton.....27 LincolnSiding
The grant expires on 10/06/19. The siding is complete but the owner is having difficulty in getting the contractor to do punch list items before payment. Staff recommends extending the grant for an additional month which will expire on 11/06/19
- Shirlene Joseph..... 771 Main Foundation
The grant expires on 10/03/19. The applicant does have a contractor working on the project. Staff recommends extending the grant for an additional three months which will expire on 01/03/2020.

EXHIBIT C

September 17, 2019

Dear Mayor Ruth and Deadwood City Commissioners:

Deadwood's Welcome Centers are booming! As I mentioned at the Sept. 16 commission meeting, visitor numbers to our centers are up more than 12 percent over 2018 numbers – in July alone, we had nearly 44,000 visitors stop in to either the History and Information Center or the Welcome Center – that's an average of 1,419 people per day. These welcome centers are a necessity for our community, and we are excited to see these large numbers of folks stopping for a visit.

Deadwood Historic Preservation provides funding for the Chamber to staff these centers. This funding provides for the majority of staffing for both welcome centers, with extra personnel on through September. But with these larger than budgeted crowds we are requesting a supplement from the Bed & Booze fund of \$5,544. This will allow us to maintain our present staffing levels at the Welcome Center through the end of the year and make sure our visitors are armed with the information they need to fully experience and enjoy Deadwood.

I appreciate your consideration. As do the many visitors who come in to the Welcome Center to learn about all the great things there are to do in Deadwood!

Sincerely,

A handwritten signature in black ink, appearing to be 'Lee Harstad', written over a horizontal line.

Lee Harstad

Executive Director

JMJBWM
August and September 2019 City Archives Monthly Report

These are the items I worked on during the months of August and September 2019.

RESEARCH REQUESTS

I received and answered eleven (11) requests in August and sixteen (16) requests in September that took the form of email, walk in researchers, mail inquiries, and department head and city employee requests.

ARCHAEOLOGY / COLLECTIONS MANAGEMENT

- **August and September Donations:** In August and September, the City Archives were presented with the following donations: **Donation 2019.10 Chantel Patras.** In August, Chantel Patras of Drayton Valley, Alberta, Canada donated one 4 x 6" black and white print of woman standing beside James Butler "Wild Bill" Hickok's grave, circa 1936 to 1946. **Donation 2019.11 Michael Olson:** In August, Deadwood resident Michael Olson donated an 8.5 x 11.0" double sided booklet titled, Deadwood United Methodist Church Parishioner Album. **Donation 2019.12 Kathy Toscana:** In August Kathy Toscana of Rapid City, South Dakota donated a 5 3/8 x 31 3/4" color postcard titled "PANORAMA OF THE SOUTHERN AND EASTERN PORTION OF LEAD SO. DAK. (South Dakota), AND A PORTION OF THE HOMESTAKE WORKS". **Donation 2019.13 John Arleth:** In September, John Arleth of Piedmont, South Dakota donated the framed South Dakota State Appointment for Frank S. Peck to the State Board of Engineering and Architectural Examiners. As part of the donations, I send out and received back signed donation forms. These forms have been filed in the City Archives basement.
- **Acquisition, Seth Bullock Papers:** In August, the Deadwood Historic Preservation Commission won 90 lots from the DOAB, LLC public auction in Dallas, Texas. Upon its arrival, I began organizing these materials. Many of the lot items contain numerous individual hand-written letters of correspondence between Bullock and other parties. Each letter has to be carefully read and researched in order to understand the content and how it relates back to Bullock. This will be a work in progress and I will keep you up to date on the status of this amazing collection.
- **Collection 1988.01 South Dakota State Historical Society Commercial and Residential Survey.** In August and September, my volunteers and I continued organizing and began scanning the 1988 Deadwood historic sites survey of the commercial and residential structures. As part of this project, we assigned unique identifying numbers on the reverse of the photographs. Once this was completed, we then lined the images up with the survey reports and scanned the pair together. As of October, we are two-thirds through this collection.
- **Collection 1991.01 Deadwood Box Culvert Photographic Collection:** In August, Bob Nelson, Jr. requested digital copies of the 1965-1967 Deadwood Box Culvert

photographs for the South Dakota DOT. In August, I scanned the 270 photographs and uploaded them to the S Drive. In return, I requested digital files of the 1965-1967 architectural plans for the City Archives. Once I had the digital files, I hired Copy Country in Rapid City to print two complete sets. One of the sets was then presented to the Public Works and the other has been filed in the City Archives. Finally, in August and September, my volunteers and I assigned catalog numbers to both the photographs and architectural plans and entered these materials into PastPerfect collections management software.

- **2019 Lawrence County Tax Records:** In August and September, independent contractor Don Toms transcribed two more Lawrence County Tax Record ledgers. These ledgers constitute the years 1883 to 1884 or 6,506 entries. These digital records provide genealogists and researchers valuable information on property owners and also serve as a mini census record for these years.
- **2019 Oral History Project:** In August and September, I continued working on the City's oral history project. This included contacting potential interviewees, developing suitable questions for the interview, and processing the completed histories. As of September, we have collected five oral histories – Bonnie Huber and David Klein are the most recent..

PROJECTS

- **Electronic Data Management:** In August and September, I consolidated and reduced redundant digital files in the Archives folders on the S: Drive. The purpose of the file management stemmed from the City acquiring a new server. I also continued migrating old files to the Archives "dark archive" on the network drive.
- **Scanning Project - Cemetery Headstone Grant Applications:** In August, Kevin requested that I digitize the cemetery headstone applications. In August and September, I arranged the folders by project number. Upon completion, I began scanning the contents of the folders and uploaded the finished files to the S: drive. The headstone grant applications are arranged by year and are located at: S:\Dept\HP\Programs\Cemetery Headstone Program. Since the program's inception in 2005, the HPC has placed 70 permanent headstones in Mount Moriah and St. Ambrose Cemeteries.
- **Scanning Project – Conservation /Transcription Reports from Deadwood Chinatown Collection:** In August and September, my volunteers worked on digitizing the conservation reports generated by the Maryland Archaeological Conservation Lab. These reports focus on the conservation of the 200 Asian coins from the Deadwood Chinatown archaeological excavations. Also included in this digitization project were the transcription notes for the pipe bowl and opium can fragments created by the Genesee Valley Daoist Hermitage. Hopefully in the next two years, these files will be included in a new book commemorating the 20th anniversary of the Deadwood Chinatown archaeological investigation.

- **Outdoor Interpretive Sign Project:** In August, I created a new outdoor interpretive panel titled, "*St. John's Episcopal Church*". This 18 x 24" outdoor sign was sent to Pannier Graphics in the first week of September. While the sign was being manufactured, I worked with the Jeramy and Bob to secure an easement for the sign. At the end of September, the completed sign was sent to City Hall. I then photographed Fr. Michael Johnson holding the new sign and posted this photograph on the Deadwood HP Facebook page.
- **Deadwood Information & Visitor Center Exhibit Project:** In August and September, I continued to help Kevin with the Deadwood Information & Visitor Center project. This included reviewing exhibit design plans, making edits, answering questions from Split Rock Studios, and securing props for the traveler's trunk exhibit.
- **2019 Deadwood Firewise Project:** In August and September, I submitted a Firewise quarterly report to the BLM and worked with the Finance Office to re-register the City of Deadwood to the SAM (System for Award Management) webpage. This was for the \$40,000 that was awarded to the City by the BLM.

MISCELLANEOUS ITEMS

- **Site Visit to South Dakota School of Mines & Technology:** On August 2, 2019, Kevin and I drove to Rapid City and attended a meeting at the South Dakota School of Mines & Technology in regards to testing the concrete and mortar samples collected by SD-ARC at Outlaw Plaza.
- **Spearfish Kiwanis Club Talk:** On Tuesday, August 20, 2019, I gave an hour long talk about the Theodore Roosevelt and Seth Bullock panels created by the City Archives. Prior to the talk, I created a short PowerPoint presentation.
- **Nitro Alley Pick Up:** In September, Randy Pfarr and I drove a city vehicle to Nitro Alley auto body shop in Rapid City and picked up the painted water pump, jail bars and the cast iron gas lamp. The water pump and jail bars are going to be installed in Outlaw Plaza.
- **Re-Store – Mirror from Franklin Hotel:** On September 6, 2019 I drove to the Re-Store in Spearfish and took photographs of an ornate glass mirror that reportedly hung in the Franklin Hotel. I passed the images and information onto Kevin who then forwarded it onto Carolyn Weber at DHI. The mirror was later donated to DHI.
- **Tin Lizies Archaeology Site Visit:** On September 19, 2019 Kevin requested that I attend a meeting at the Tin Lizies Parking Lot to discuss the archaeology of the new hotel addition.
- **Ferber Engineering / Tablet Project:** In September, Linda Foster from Ferber Engineering came to City Hall twice and helped set up the City's I-Pad and data collector app.

If you have any questions or would like to see what I have been working on, feel free to stop in and see me.

Mike Runge, City Archivist
