## **INTRODUCTION AND DEDICATION**

This year's theme and dedication are quite closely related since both involve teachers and education.

In past years we have dedicated annuals to well loved students who met untimely and unfortunate deaths, and to such worth while ideas and ideals as the search for peace or the extension of man's physical and mental universe. Last year we dedicated the annual to a number of people, not faculty members, who have served the school well.

This year we hope our annual presents a fair picture of the studies and activities which we believe make for well rounded individuals. Our theme, then, is an education theme presenting the year and the day of the student. It is dedicated by the staff to our teachers who have made this school year and school day a rich and satisfying experience.

In making this dedication to our teachers, we would like to mention three individuals who have served the school and students well--two are former teachers and one is a former janitor. Miss Olive Smith and Mrs. Kathryn Wardman taught for many years in this school. They lavished the kind of love and the kind of teaching upon the young people of Deadwood which has made for at least three generations of fine citizens. The janitor mentioned is John Chovaniec. John Chovaniec loved his work. He often said, "Work is my life." His years of service helped Deadwood to have an unusually neat school and all of us know that students do better work in clean surroundings.

The students' year and day are just ahead. Please join us on this trip through them.

Someone once said that variety is the spice of life. Any annual editor is willing to agree to this but will be quick to add that variety in yearbooks requires a lot of thought.

In previous years we have pictured our teachers in school surroundings. This year for the sake of variety we took pictures of our faculty members in their homes with their families. We hope you like them.

## THE CLASS OF '54

'The cream of the crop,'  
But, the cream supreme!

Our class history goes back to the year 1950. A large group of "green" freshmen was ushered into DHS, 56 to be exact. Our newly elected class officers were: Kay Roberts, president; Dick Dunwiddie, vice-president; and Carole Rypkema, secretary-treasurer. Student Council Representatives were David Klein and Carole Rypkema. Carole Rypkema was chosen as the frosh queen to reign over her "Bronc Stew," the theme of the float. Bonnie Roebuck won the English award.

-- Time Passes--

When we were sophs, we were really on our way to the top. At that time, we chose Jeannine Cowles to sit atop our "DHS Birthday Cake." Jeannine Cowles and Reece Palmer represented the sophomore class in Student Council. Officers of the class were: Eddie Morris, president; Reece Palmer, vice president; and Jeannine Cowles, secretary-treasurer. Then came the proposition of making money for our future banquet. As the situation stood, we needed money--badly! The Board of Wisdom came up with a clever idea for a dance: a Sadie Hawkins Day Dance. Spring came at last, and guess what! Our team went to the state "A" basketball tournaments. On the team were: Eddie Morris, David Klein, Reece Palmer, John Smiley, and Bill Jones. Kay Roberts was elected drum majorette by the band; and, at the awards assembly in May, Ellen Morris received the sophomore English award, while Bonnie Roebuck and Kay Shama received the Home Economics awards.

--Time Passes--

We made it! We were finally juniors! The class chose for their "Queen of Hearts," Ann Jordan. Student Council representatives were Dick Dunwiddie and Gail Williamson, while our class officers were: David Klein, president; John Smiley, vice-president; and Loyola Moser, secretary-treasurer. The first "five" on the basketball team consisted of junior boys!

Our class play, "The Little Dog Laughed" was very successful and the financial standing for the junior-senior banquet was rather good. The juniors chose as their theme of the banquet, "Springtime in Paris." Many awards and achievements were earned this year. Kay Shama was assistant editor of the Bruin while her colleague, Kay Roberts, was assistant editor of the Bear Log. Carole Rypkema, (with Marie Beshara) went to the semi-finals in the regional debate tourney at Philip. Ellen Morris won the English Award and Bonnie Roebuck was chosen as the 1953 Girls' State representative. Boys' State delegates were Eddie Morris and Reece Palmer.

--Time Passes--

We had only 37 members in the graduating class. But, remember, there isn't quality in numbers. "Jeannine My Queen" at football time was the popular melody Bear Day. Jeannine Cowles, all school queen of 1953, and her attendants, Carole Rypkema and Gail Williamson served such a fabulous reign that the 1953 football squad (of which six were seniors) went on to win the Black Hills Conference Football Championship. Not only that, but they became the only team in DHS history to remain undefeated during any one season.

Frances Wagner was the senior queen and became a vivid memory in our book of "Memories of DHS." Our class officers were Reece Palmer, president; Cal Geary, vice-president; and Frances Wagner, secretary-treasurer. Student Council representatives were Eddie Morris and Carole Rypkema who were president and secretary-treasurer, respectively, of this group.

Fame was equally shared by members of the basketball and debating squads in their 1954 season. The basketball team placed second in the Black Hills Conference race. Four seniors: Bill Jones, Reece Palmer, Eddie Morris, and David Klein helped make this possible. Incidentally four of the five cheerleaders this year were seniors: Frances Wagner, Kay Roberts, Marcia Pavlich, and Jeannine Cowles.

The debate team composed of Carole Rypkema and Bonnie Roebuck (negative side) and Marcia Kay Pavlich and Gail Williamson (affirmative side) were awarded a trip to the state NFL tournament in March as a result of their arduous work throughout the season.

The Christmas Ball, sponsored by the senior class, carried out the theme: "Over the River and Through the Woods."

Kay Roberts and Betty Wells, co-editors of the Bear Log and Kay Shama, editor of the Bruin, all did excellent work.

Bonnie Roebuck was winner of the local and Lawrence county DAR Good Citizenship award.

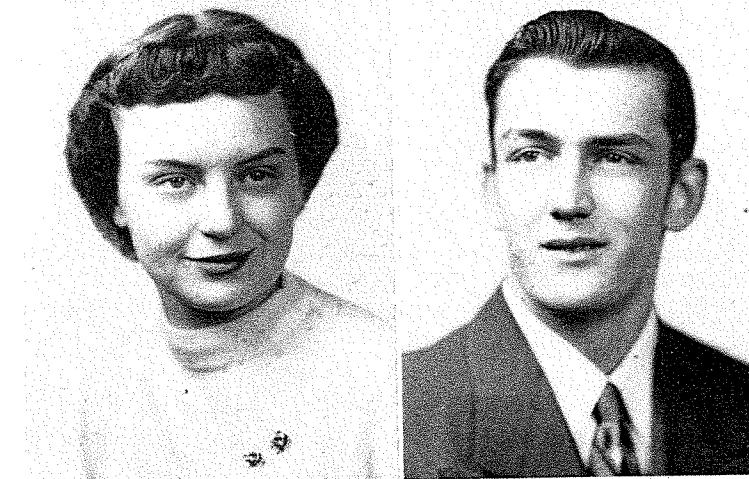

The senior class has participated in all of the music festivals and Christmas plays. The pep band played at the Section 8 tournaments. The class colors are red and white, the class flower the red and white carnation, and the class motto is "Finished; ready to begin."

We've had a wonderful time during our four years at DHS, and we extend our best wishes to you---the future senior classes.

# JUNIORS: AT THE THRESHOLD OF GRANDEUR

# JUNIORS CLASS HISTORY

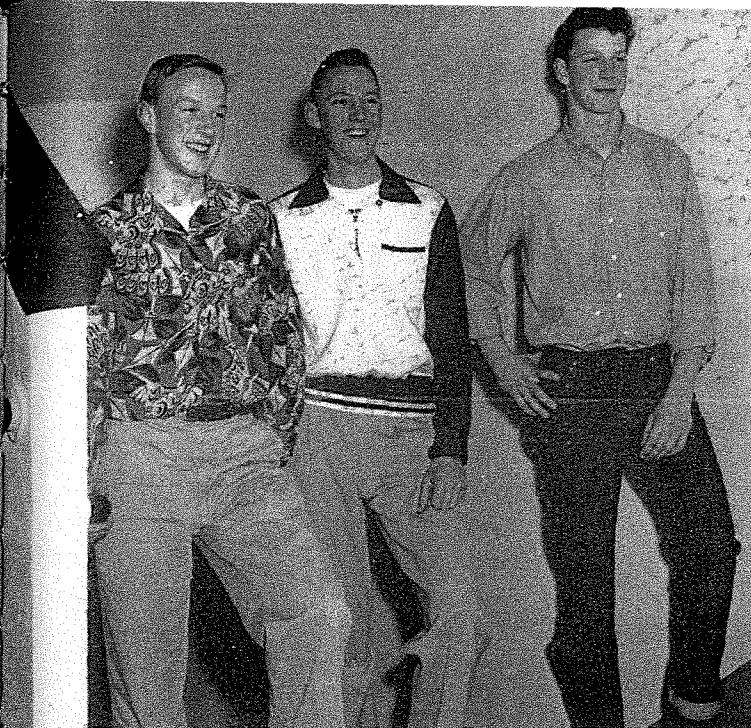

The junior class of 54 brought the first meeting of the year to order and adjourned after electing Rich Sears, president, Henry Frawley, vice-president, and Jim Veitl, secretary-treasurer.

Later on the home-rooms met and elected Dale Allen and Jim Veitl to represent the juniors in the Student Council.

The theme of the float in the Bear Day parade was "Pearl of the Junior Class." The pearl was Mary Rotter. The float placed second.

A dance and the play, "Cheaper by the Dozen" were the two very successful presentations of the class.

Dale Allen and Jim Veitl were elected to represent Deadwood at Boys' State. At the time this was written no announcement had been made concerning the girl elected to Girls' State.

## FOOTBALL REVIEW

The Bears turned in their most successful football season this year. They were undefeated and won the conference championship for the first time in the school's history. During the season the Bears won five and tied one. The Bears scored a total of 195 points and only had 59 points scored against them.

Six seniors are leaving this year's team and they can certainly feel proud of their record. These seniors are: Reece Palmer, Bill Jones, Eddie Morris, John Smiley, Don Gabel and Al Johnson.

Bill Jones, one of the Bears, had a great honor bestowed on him. He was made captain of the All-State Team.

# BASKETBALL REVIEW

The Bears were very successful in their basketball season this year for they set an all time record for the school. The Bears also won the Sturgis Invitational Tournament which the Scoopers have won for the past 8 years.

Staying near the top all during the season the Bears ended second place in the conference with three defeats, two losses to Rapid City and one loss to Belle Fourche. The Bears won a total of 18 out of 22 games in the season. Their conference record was 11 wins and 3 losses. The Bears were also rated as third in the State

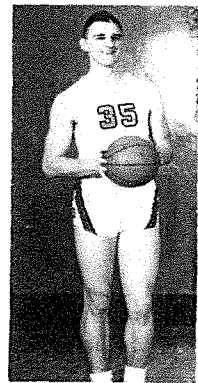

Other than the conference games the Deadwood Bears traveled to Miles City and Forsythe, Montana and to Pierre, South Dakota.

The top honor for this year's team came when they defeated Belle Fourche at the sectional tournament held in Lead. This win enabled the Bears to travel to Huron to represent the Northern Hills at the State Tournament. Results were not available at present time.

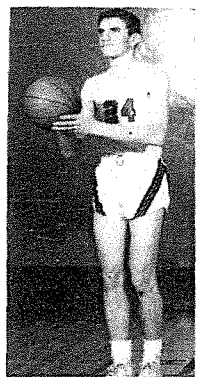

Next year the Bears will be minus four seniors in their starting lineup. They are Reece Palmer, David Klein, Eddie Morris and Bill Jones.

### EPILOGUE . . .

We hope this book has given a fair picture of the studies, activities, and fun in this year of 1953-54. It has been a good year.

Fun and activities build pleasant memories for later years. Study makes for a rich full life. Since this is true, we thought we would close our book with two silhouette pictures, one to represent the girl students of DHS and one to represent the boy students of DHS.

Our title for this picture is:

THE DESK, THE LAMP, THE LIGHT OF TOMORROW.
